Chicago, USA Attractions

About Chicago, USA:

The City of Chicago, is the third-most populous city in the United States. With over 2.7 million resident. As a multicultural city that thrives on the harmony and diversity of its neighborhoods, Chicago today embodies the values of America's heartland-integrity, hard work and community and reflects the ideals in the social fabric of its 77 distinct neighborhoods. Chicago is recognized across the United States as a very passionate sports town.

Climate in Chicago:

Chicago is beautiful in every single season. The continental climate in Chicago is characterized by warm and sunny summers, moderate winters and has no extreme temperatures. The average temperature in July is about 25°C. In winter the temperature drops until an average temperature of 2°C in January.

Places to visit at Chicago:

A trip to Chicago is thé perfect get-away. One weekend or a couple of days in Chicago will be enough to make you feel one with the city and forget about the daily routine back home. Art Institute of Chicago; Shedd Aquarium; 360 Chicago; The Field Museum and many more. Chicago has a city-campsite and lots of hostels. But if your budget allows it and when you are looking for more luxury, there are also plenty of fancy hotels in Chicago.
