10th International Conference on Chinese Medicine, Ayurveda & Acupuncture

March 04-05, 2019 Berlin, Germany

AGENDA

New Advances in the "Reconciliation Vessel´s research

Adrián Ángel Inchauspe
National University of La Plata

Analyzing the properties of the "Reconciliation Vessel", new questions arised about the origin of this Wondrous Circuit, as well as its configuration through the philosophical and cosmological basis of Traditional Chinese Medicine. Scrutinizing its location within Fu Hsi's octogram and according to the I-Ching and Yellow Emperor's coincidences in Ling Shu and Su Wen quotations, a plausible explanation raised up from a detailed methodological work embodied in this paper.Author's experience in cardiopulmonary revivals over thirty years takes to ponder his prospect of this situation from various angles, arising the comparison between legal, real and energy deaths against the possibility of more widespread recovery after terminal diagnosis.

Bambusa vulgaris Schrad. ex J.C.Wendl. (Poaceae): a potential plant for treating malaria.

Gustav Komlaga
Kwame Nkrumah University of Science and Technology, Kumasi, Ghana

Gustav Komlaga is a Senior lecturer and a researcher of Pharmacognosy in the Kwame Nkrumah University of Science and Technology (KNUST), Kumasi, Ghana. He has published more than 20 research papers in reputable peer review journals and is a editorial board member and reviewer for a number of scientific journals

The sustainable of relief back pain immediately after the first session of laser acupuncture but not after acupuncture therapy

AMRU HOUSSIEN
Dr Dhiya Centre for Rheumatism, Jeddah, Saudi Arabia

Low-level Laser acupuncture therapy (LLLAT) is defined as the stimulation of acupuncture points with low-intensity, laser irradiation and is widely used in treating musculoskeletal pain. The purpose of this study was to determine whether the use of a single session of LLLAT for Chronic Low Back Pain (CLBP) will result in a better outcome than using acupuncture alone.

SPEAKER SLOTS AVAILABLE

Self-hypnosis and pain

Dalamagka
Anaesthesiology department
General Hospital of Larissa,
Greece

The possibilities of self-suction can be particularly useful in the management of pain. It is possible to modify the experience of pain. The only obstacle is the limits of imagination, but as you surely know the imagination knows little boundaries.
Sometimes deep relaxation can help, before giving to yourself the suggestions you need.

A critical appraisal of Semen Abnormality (Shukra Dusthi) – A precise Ayurvedic model

Anurag Pandey

.

The Power of "Love/528 Frequency" in Healing

Leonard George Horowitz

DMD, MA, MPH, DNM (hon.), DMM (hon.) / Editor-in-Chief, Medical Veritas International, Inc.; 5348 Vegas Drive, Suite 353 • Las Vegas

The key common factor in healing ways and means is energy, and the objective of "energy medicine" in clinical and spiritual practices is rejuvenation or hastened recovery. In Chinese medicine, acupuncture, homeopathy, and herbal therapies, energy is delivered by electrons resonating at certain frequencies.
