INVITATION

Dear Attendees,

We are glad to announce the 4th World Congress on Climate change and Ecosystem on April 14-15, 2025 in Madrid, Spain organized by CLIMATE CHANGE 2025 in collaboration with generous support and cooperation from enthusiastic academicians and editorial board members. The Conference is focused on theme "Inclusive Climate Solutions with Equity and Justice in Action".

Conference Series LLC Ltd invites all speakers, environmental scientists, climate change technicians, researchers, ecologists, healthcare professionals, environmental industries, climate science students, young researchers, experts, experimenters, officials, moderators, researchers, and exhibitors to join the 4th World Congress on Climate Change and Ecosystems. This conference will be conducted on April 14-15, 2025, in Madrid, Spain. The event welcomes all researchers to participate in this important gathering dedicated to addressing challenges and advancing knowledge in climate change and ecosystem conservation.

Why to Attend:

This Conference aim is to provide unique opportunity for researchers, advertisers and exhibitors at this international event to share their ideas.

Giving openings for academics from a range of discipline and countries to partake their exploration ideas.

We look forward to personally welcoming you to our conference!

Sincerely,
CLIMATE CHANGE 2025
Organizing Committee

10:00 - 10:45	Keynote Sessions
10:45 - 11:00	Break
11:00 - 11:30	Sessions
11:30 - 12.00	Sessions
12:00 - 12:30	Sessions
12:30 - 13:00	Sessions
13:00 – 13:45	Break
13:45 - 14:15	Sessions
14:15 - 14:45	Sessions
14:45 - 15:00	Break
15:00 - 15:30	Sessions
15:30 - 16:00	Sessions
16:00 – 16:30	Sessions

DAY-2

TIME	SESSIONS
09:15 – 10:00	Keynote Sessions
10:00 - 10:45	Keynote Sessions
10:45 - 11:00	Break
11:00 - 11:30	Sessions
11:30 - 12.00	Sessions
12:00 - 12:30	Sessions
12:30 - 13:00	Sessions
13:00 – 13:45	Break
13:45 - 14:15	Sessions
14:15 - 14:45	Sessions
14:45 - 15:00	Break
15:00 - 15:30	Sessions
15:30 - 16:00	Sessions
16:00 – 16:30	Sessions

ABOUT VENUE

CITY ATTRACTIONS

Madrid is the capital and most populous city of Spain. The city has almost inhabitants and a metropolitan area population of approximately 7 million. It is the second-largest city in the European Union (EU), and its monocentric metropolitan area is the second-largest in the municipality covers 604.3 km2 (233.3 sq. mi) geographical areas. Madrid lies on the River Manzanares in the central part of the Iberian Peninsula at about 650 meters above mean sea level. The capital city of both Spain and the surrounding autonomous community of Madrid (since 1983),it is also the political, economic, and cultural centre of the country. The climate of Madrid features hot summers and cool winters.

The Madrid urban agglomeration has the second-largest GDP in the European Union and its influence in politics, education, entertainment, environment, media, fashion, science, culture, and the arts all contribute to its status as one of the world's major global cities. Due to its economic output, high standard of living, and market size, Madrid is considered the major financial centre and the leading economic hub of the Iberian Peninsula and of Southern Europe. The metropolitan area hosts major Spanish companies such as Telephonic, Iberia, BBVA and FCC.
