Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

ConferenceSeries cordially invite you to attend the "13th International Conference on Climate Change & Environmental Science" slated on November 20-21, 2024 | Rome, Italy. We welcome all scientists, scholars, students, industrialists to attend and explore their knowledge within the world of worldwide global climate change and earth science.

Climate Change 2024 conference will specialize in the newest and exciting innovations altogether areas of global climate change and Earth Science which offers a singular opportunity for investigators across the globe to meet, network, and witness new challenges.

Climate Change 2024 salient features

- Build Strategic Business Connections
- Gain New Insights
- Collaborate with the leaders in the fields of Climate Change
- Networking events
- Strategy exchange sessions
- Specialty Exhibit Areas- Companies often have tools to display that we haven't seen yet
- The focus and energy of Like-Minded Individuals
- The Serendipity of the Random Workshops
- Lightning Sessions
- Market Debut

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on climate change, present the most recent research findings, and promote and enhance scientific collaborations around the world.

- Economic Disruption
- Climate Refugees
- Climate Policy and Mitigation Efforts

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT VENUE

Rome, the capital of Italy, is a city steeped in history and culture. Known as the “Eternal City,” it boasts an impressive array of ancient landmarks, including the Colosseum, the Roman Forum, and the Pantheon. Its rich history dates back over 2,500 years, making it one of the oldest continuously inhabited cities in Europe.

The Vatican City, an independent city-state within Rome, is the spiritual and administrative center of the Roman Catholic Church, home to St. Peter’s Basilica and the Sistine Chapel, famous for Michelangelo’s breathtaking frescoes.

Rome is also renowned for its vibrant street life, delicious cuisine, and charming piazzas. The city’s neighborhoods, from the historic Trastevere to the elegant Centro Storico, each offer unique atmospheres and local flavors.

Whether you’re exploring ancient ruins, savoring pasta alla carbonara, or enjoying a gelato while strolling by the Trevi Fountain, Rome offers an unforgettable experience that blends history, art, and modern life.
