INVITATION

Dear Attendees,

Conference Series LLC LTD cordially invites you to join **the 16th International Conference on Clinical Chemistry** which will take place **August 22-23, 2024 Berlin, Germany**. All participants who are interested in sharing their experience and research in the field Neonatology are kindly invited to attend. More than 200+ people from all around the world are expected to attend in 2024, with thought-provoking keynote talks, oral and poster presentations. Members of the editorial boards of associated open access publications are among the delegates in attendance. Delegates from universities, institutes, and corporations will have the opportunity to connect with world-class scientists. Intentional attendees can ensure their attendance by registering for the conference with their colleagues. Take advantage of the early bird delegate deal **"Advancements in Clinical Chemistry: Pioneering Innovations for Health and Medicine"** is the conference's principal focus. As the premier event, we've created a programmed that caters to your specific needs.

We've added more focused sessions with cutting-edge presentations, special panel discussions, and livelier interaction with industry leaders and experts, not to mention increased the amount of possibilities for you to network with colleagues from across the world. Life is full of give-and-take situations. In your working life, make it count. **Clinical Chemistry 2024** to network with your peers, share your skills and experiences, and have access to the most up-to-date information to help your department advance. We look forward to meeting you in person at Conference this **August.**

Sincerely,
Organizing Committee
Clinical Chemistry 2024

ABOUT US

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21** Day Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million** Readers and High Visibility
- **1000+** Scientific Associations Collaborations
- **100000+** **Facebook** Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages
- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals Special

Special Issues : All accepted abstracts will be published in respective UK: Conference Series LLC Ltd Journals
Each abstract will be provided with digital Object Identifier by Crossref

ABOUT CONFERENCE

Clinical Chemistry 2024 The main objective is to bring all the leading academic scientists, researchers and research scholars together to exchange and share their experiences and research results about all the aspects of Pediatric Nursing. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Pediatric Nursing. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Clinical Chemistry 2024 SALIENT FEATURES

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

HOW CONFERENCE SERIES CONFERENCES DIFFERS FROM OTHERS?

- **3000+ Conferences** across the globe in **30+ countries** all through the year
- Over **25 million+ visitors** and **20000+ unique visitors** per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

GOALS

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about food safety and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCE

GOALS

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of food safety
- Discuss and apply recent research findings related to food safety
- Reflect on the place of critical distance in food safety

WHO SHOULD ATTEND

Our point is to the corporate network and to make a stage for the trading of data on innovative advancements the **16th International Conference on Clinical Chemistry**, new logical modernization and the viability of different administrative projects towards **Clinical Chemistry 2024.** This meeting likewise centers around a wide assortment of momentum look into on sanitation and wellbeing that have both useful and pernicious impacts on the security and nature of nourishments, and are along these lines a worry of general wellbeing.

ABOUT HOSTING ORGANIZATION

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000 + Editorial Board Members, 1000+ Scientific Societies**. All the conference proceedings are published in the special issues of our **700+ Open Access International Journals with the DOI** provided by Crossref

PARTICIPATION OPTIONS

- Speaker (special session): 45-50 minutes (more than 1 can present)
- Speaker (symposium): more than 45 minutes (more than 1 can present)
- Delegate(only registration): will have access to all the sessions with all the benefits of registration
- Poster presenter: can present a poster and enjoy the benefits of delegate
- Remote attendance: can participate via video presentation or e-poster presentation
- Exhibitor: can exhibit his/her company's products by booking exhibitor booths of different sizes
- Media partner
- Sponsor
- Collaborator
- For more details about each mode, kindly contact:: +44-3308221359

ABOUT CONFERENCE

PARTICIPATION BENEFITS

- Attend Keynote Presentation by world's most eminent researchers
- Access to all the sessions
- Get OCM certificate
- Get worldwide acknowledgment to your profile and Research
- Get your abstracts published with unique DOI in International Journals
- Get up to 50% discounts for publishing your entire article in our open access International Journals
- Get Handbooks and conference kits
- Get an access to the network with eminent personalities from worldwide
