WELCOME ADDRESS

Dear Attendees,

The Clinical Nutrition-2025 Organizing Committee is absolutely delighted to welcome you to the **4th International Conference on Clinical Nutrition & Dietetics** which will be held in **Rome, Italy** on **May 26-27, 2025,** where we will be shining a spotlight on ***"The Future of Food: Integrating Nutrition and Technology"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Clinical Nutrition research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities, located on the banks of the Tiber River in central Italy, known as Rome. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine cutting-edge science with an unparalleled cultural and personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Clinical Nutrition-2025

ABOUT ROME

Rome, the capital of Italy, is a city rich in history, culture, and art. Known as the "Eternal City," it boasts a legacy that spans over 2,500 years, making it one of the oldest continuously inhabited cities in Europe. Rome is famous for its iconic landmarks, such as the Colosseum, the Roman Forum, and the Pantheon, which showcase its ancient heritage.In addition to its historical sites, Rome is home to Vatican City, the spiritual center of the Roman Catholic Church, featuring St. Peter's Basilica and the Sistine Chapel, renowned for Michelangelo's stunning frescoes. The city's vibrant neighbourhoods, like Trastevere and Testaccio, offer a glimpse of local life, complete with bustling markets and traditional trattorias. Rome is also a hub for art, fashion, and cuisine, with countless museums, galleries, and dining options that reflect its rich culinary traditions. The blend of ancient ruins and modern life creates a unique atmosphere that attracts millions of visitors each year, making it a must-see destination for travellers. The chosen venue will likely be centrally located, ensuring easy accessibility for attendees arriving from various parts of the world. It will feature state-of-the-art facilities designed to accommodate a range of conference activities, including spacious auditoriums for keynote speakers and plenary sessions, as well as smaller breakout rooms for workshops and interactive discussions. The layout will encourage networking and collaboration among participants, providing designated areas for informal meetings and discussions that are crucial for professional growth and partnership development. Additionally, the venue will be equipped with modern audio visual technology to support presentations and facilitate engaging interactions between speakers and attendees. Accessibility is a key focus, with accommodations in place to ensure that everyone, including individuals with disabilities, can participate fully in all aspects of the conference. Dining options at the venue will reflect Rome's culinary excellence, offering a variety of healthy and nutritious meals that cater to diverse dietary preferences, ensuring that attendees are fuelled for learning and networking.
