WELCOME ADDRESS

Dear Attendees,

The Clinical Nutrition 2026 Organizing Committee is absolutely delighted to welcome you to the 5th International Conference on Clinical Nutrition & Dietetics which will be held in Zurich, Switzerland on June 15-16, 2026, where we will be shining a spotlight on "Precision Clinical Nutrition: Integrating Genomics, Metabolomics & AI for Personalized Patient Care".

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Clinical Nutrition & Dietetics research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of Europe's most vibrant and influential cities, situated on the northern shore of Lake Zurich in Switzerland, known as Zurich. Renowned as a global center for finance and innovation, Zurich exerts significant influence in banking, research, technology, education, culture, and international business. The city is also celebrated for its exceptional quality of life, rich cultural heritage, world-class universities, and stunning natural surroundings of lake and mountains.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Clinical Nutrition 2026

ABOUT ZURICH

Zurich, the largest city in Switzerland, is where alpine serenity meets precision powered modernity. Cradled by the shimmering waters of Lake Zurich and framed by snow tipped mountains, the city feels like a postcard that learned how to balance a spreadsheet. Often recognized as a global financial powerhouse, Zurich pairs its economic strength with a rich cultural heritage that stretches back to Roman times, when it was known as Turicum.

During the Middle Ages, Zurich flourished as a prosperous trading center and later became a key city in the Swiss Confederation. The Protestant Reformation left a deep imprint here under the leadership of Huldrych Zwingli, shaping both the city's religious and cultural identity. Over the centuries, Zurich evolved into a hub of banking, education, science, and innovation, while preserving the charm of its historic core.

The city's architectural highlights include the iconic twin towers of the Grossmünster, a Romanesque landmark central to the Reformation, and the elegant Fraumünster, famous for its stained glass windows designed by Marc Chagall. The picturesque lanes of Old Town Zurich are lined with medieval buildings, hidden courtyards, and centuries old guild houses that whisper stories of merchants and reformers.
