WELCOME ADDRESS

Dear Attendees,

The Clinical Research 2025 Organizing Committee is absolutely delighted to welcome you to the **31st International Conference on Advanced Clinical Research and Clinical Trials** which will be held in **Amsterdam, Netherlands** on **June 02-03, 2025**, where we will be shining a spotlight on "Discover the Latest Innovations and Application in Clinical Research".

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Pharma research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which is called as Amsterdam. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Clinical Research 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Clinical Research 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Clinical Research 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Clinical Research ,Clinical Trails.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Clinical Research & Clinical Trails.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

31st International Conference on Advanced Clinical Research and Clinical Trials is among the World's leading Scientific Conference. The two day event on Clinical Research and Clinical Trails will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Clinical Research & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Clinical Research and Clinical Trails Congress which will comprises of 21 major sessions designed to offer comprehensive sessions that address current issues in various fields of Clinical Research

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Clinical Research provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Clinical Research 2025**.

ABOUT CONFERENCE

Who Should Attend?

Clinical Research 2025 Conference website is attracting 56000+ physicians, public health experts, academia, labs, Drug Manufacturers, government agencies, health professionals, hospitals, young investigators, Pharma and labs, CRO and DATA management Companies, Business Entrepreneurs, Investment Analysts, R&D Researchers from Pharma Industries, Chief Scientific Officers, PhD Scholars, professionals, speakers, professors, business delegates and students

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Innovations in Clinical Trials
- Clinical Trials on Different Diseases
- Design of Clinical Studies and Trials
- Biomedical Devices Clinical Research
- Future of Clinical Trials
- Site Management Innovation
- Bioethics and Regulatory Compliance
- Patient Recruiting & Retention
- Oncology Clinical Research
- Microbiology Clinical Research
- Epidemiology and Public Health
- Imaging Research & Clinical Research Nursing
- Innovations in Pre-clinical Research
- Latest technologies in Biomedical Research
- Advancements in Psychology Research Methods
- Clinical Data Management and Statistics
- Clinical and Medical Case Reports
- Pharmacovigilance and Drug Safety
- Stem Cell and Genetic Clinical Research
- And many more.

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT AMSTERDAM

Amsterdam, the capital city of the Netherlands, is a vibrant and historic metropolis known for its rich cultural heritage, picturesque canals, and progressive outlook. Founded in the late 12th century as a small fishing village on the banks of the Amstel River, Amsterdam has evolved into one of the world's most important cultural and economic hubs. The city's unique charm lies in its seamless blend of the old and the new, where centuries-old buildings coexist harmoniously with modern architecture and a thriving contemporary art scene. The city is famous for its extensive canal system, often referred to as the "Venice of the North." These canals, which were constructed during the 17th century Dutch Golden Age, encircle the city and are lined with beautiful, narrow houses that reflect the city's rich mercantile history. Visitors can explore the canals by boat, offering a unique perspective of Amsterdam's iconic bridges and charming streets.

Amsterdam is also renowned for its world-class museums. The Rijksmuseum, housing masterpieces by Rembrandt and Vermeer, provides a deep dive into Dutch art and history. The Van Gogh Museum, dedicated to the works of Vincent van Gogh, offers an intimate look at the life and creations of one of the most influential artists in history. For those interested in more modern and contemporary art, the Stedelijk Museum showcases works from the 20th century to the present day. In addition to its cultural offerings, Amsterdam is a city that values diversity and inclusion. Known for its liberal attitudes, the city has long been a haven for free thinkers and progressive movements.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
clinicalresearch@speakersagenda.com

Academic

Only Registration: € 499
Package – A (Registration + 2 Night's Accommodation): € 899
Package – B (Registration + 3 Night's Accommodation): € 1049

Business

Only Registration: € 599
Package – A (Registration + 2 Night's Accommodation): € 999
Package – B (Registration + 3 Night's Accommodation): € 1149

Student

Student Delegate: € 399
Young Researcher Forum: € 349

Important Dates

Abstract submission opens: September 10, 2024
Registration opens: September 15, 2024
On spot registration: June 02, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
