12th International Conference on

Clinical Trials

November 28-29, 2024 | Vancouver, Canada

An Insight into Innovative Approaches in Global Clinical Research and Clinical Trials

INVITATION

Dear Attendees,

We are glad to announce the 12th International Conference on Clinical Trials is scheduled to be held during November 28-29, 2024 at Vancouver, Canada. This Clinical Trials Conference includes a wide range of Keynote presentations, Plenary talks, Symposia, Workshops, Exhibitions, Poster presentations and Career development programs Conference series LLC Ltd Organizes 3000+ Global Events Every Year across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open access journals which contains over 100000 eminent personalities, reputed scientists as editorial board and organizing committee members. The conference series LLC Ltd website will provide you list and details about the conferences organize worldwide 12th International Conference on Clinical Trials amid November 28-29, 2024 at Vancouver, Canada. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Clinical Trials 2024

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

• More than 3000 Conferences happening across the globe
• Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business. • CME/CPD Accredited Conferences fostering professional and Personal development
• Continuum of education through organized scientific program
• Renowned speakers and scientists representing from 40 countries
• Highly Interactive sessions and Panel Discussions
• B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Clinical Trials 2024 will discuss various disciplines involved in the pre-clinical research, conduct of clinical trials; it will educate health care researchers about design, operation, organizing, research computing, regulatory aspects and reporting of clinical trials. It promotes better understanding by the general public about the importance of clinical trials in prevention, diagnosis and treatment of disease. This conference conduct presentations, distribute information, meet with current and potential scientists, make a splash with new clinical research developments, and receive name recognition at this 3-days event. World renowned speakers and the most recent techniques, developments, the newest updates in Clinical Research are hallmarks of this conference.

Clinical Trials 2024 sailent features

• Meet Academia and Industry visionaries to get inspired
• Expand your knowledge and find solutions to problems
• Knowledge, Benchmarking and Networking offered at one place •
Forge connections and for global networking
• Highly Organized and Structured Scientific programs
• Poster presentations and world class exhibitions
• Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Clinical Trials, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

- Discuss emerging issues in Viral Diseases
- Discuss and apply recent research findings related to Viral
- Diseases. Reflect on the place of critical distance in Viral Diseases.

Who should attend?

Academicians including Professors, PhD. Scholars, Students carrying out Viral Diseases and field studies, General Internist Pharmaceutical companies Research Scholars Doctors & Physicians Directors / Managers Industrial Professionals Clinical Researchers Healthcare Professionals Professors and students from colleges and universities Business delegates and Intelligence experts Vice Presidents of Medical institutions and

Clinical Trials 2024 salient features

- Clinical Research & Clinical Trials: Academic Perspective
- Drug Discovery and Development
- Pharmacovigilance and Drug Safety
- Pharmaceutical Sciences
- Clinical Operations & Project Management
- Enrollment Planning and Patient Recruitment
- Patient-Centric Clinical Trials
- Innovations in clinical study designs
- Research and Trials on Oncology and AIDS
- Clinical Trials on different Diseases
- Medical Imaging in Clinical Research
- Clinical Data Management and Analytics
- Future of Clinical Trials and Technology Innovations
- CRO, Sponsorship & Outsourcing for Clinical Trials
- Clinical Trial Site Selection and Management
- Clinical Trial Forecasting, Budgeting and Contracting
- Clinical Supply Management
- Globalization of Clinical Trials
- Medical and Clinical Case Reports
- Bioethics and Regulatory Compliance

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT CANADA

Vancouver, nestled on Canada's west coast, captivates with its stunning blend of natural beauty and urban sophistication. A dynamic metropolis surrounded by mountains and ocean, Vancouver boasts a skyline against a backdrop of snow-capped peaks. The city's diverse neighborhoods offer a mosaic of cultures, reflected in its vibrant culinary scene and multicultural events.

Stanley Park, an iconic urban oasis, provides a lush escape with seawall views and lush trails. The city's commitment to sustainability is evident in its extensive network of bike lanes and efficient public transit. Vancouver's waterfront, Granville Island, and historic Gastown showcase a mix of modern architecture and historic charm.

Culturally rich, the city hosts world-class museums, theaters, and galleries. Its international festivals celebrate diversity, while the Vancouver Art Gallery and Museum of Anthropology delve into Canada's indigenous heritage. Sports enthusiasts revel in the city's passion for hockey and its outdoor adventures, from skiing on Grouse Mountain to kayaking in False Creek.

Boasting a mild climate, Vancouver encourages outdoor activities year-round. The city's culinary scene is a gastronomic delight, featuring diverse global cuisines and fresh Pacific Northwest ingredients. From bustling markets to upscale dining, Vancouver is a food lover's paradise.

Friendly locals contribute to the city's welcoming atmosphere, making Vancouver a cosmopolitan haven where nature and culture coalesce, creating a unique and unforgettable experience.
