## About the conference

We are pleased to announce the “6th European Conference on Advance Clinical Trials and Research,” which will be held on October 24-25, 2024 in Paris, France.

Scientific meetings and conferences play an important role in the scientific process, serving as one of the primary venues for Academicians, Scientists, Practitioners, Students, Scholars, Researchers, and Family physicians, health educators, and social workers, as well as Business professionals, to present and receive feedback on research prior to publication, forge collaborations, and network and share research ideas.

Clinical Trials Congress-2024 is a specially designed two-day event featuring high-quality presentations, keynote addresses, oral presentations and plenary sessions, intense scientific topics, panel discussions, workshops, special sessions, student poster presentations, round table discussions, and exhibition from the world’s brightest minds in medical, science, and technology.
