About the conference

We are pleased to announce the “7th European Conference on Advance Clinical Trials and Research” scheduled for October 22-23, 2025, in Paris, France.

This conference will serve as a pivotal venue for academicians, scientists, practitioners, students, scholars, researchers, family physicians, health educators, social workers, and business professionals. By presenting cutting-edge research, receiving valuable feedback, fostering collaborations, and networking, attendees will engage deeply with advancements in clinical trials and research.

Clinical Trials Congress 2025 is a specially curated two-day event designed to highlight keynote addresses, oral presentations, plenary sessions, panel discussions, workshops, special sessions, and student poster presentations. Attendees will experience a comprehensive range of topics from the world’s leading minds in medicine, science, and technology. Additionally, round table discussions and an exhibition will provide a unique opportunity to share and explore innovative ideas.
