conferenceseries.com **9th Clinical Dermatology Congress**

October 19-21, 2017 New York, USA

Conference Schedule		
Day 1 :- October 19, 2017	**Day 2 :- October 20, 2017**	**Day 3 :- October 21, 2017**
Opening Ceremony	*Keynote Forum*	*Keynote Forum*
Honourable Guests Speech	Panel Discussion	Panel Discussion
Keynote Forum	Coffee Break	*Speaker Forum*
Panel Discussion	*Speaker Forum*	**Genodermatosis**
Group Photo	**Immunodermatology**	Epidermolysis Bullosa
Coffee Break	Immunologic diseases	Ichthyosis
Speaker Forum	Autoimmune diseases	Palmoplantar keratoderma
Clinical and Medical Dermatology	Immunologic defense system	Neurofibromatosis
Dermatological medical education	Immunoperoxidase technique	Xeroderma pigmentosum
Melanoma brain metastases	Radial immunodiffusion or rocket electrphoresis	Incontinentia pigmenti
Pseudoprogression	Hereditary deficiencies in immunoglobulins	Restrictive dermopathy
Confidentiality breaches in clinical practice	Cellular hypersensitivity	Diagnosis and treatment of Netherton's syndrome
Early clinical features in Systemic Lupus Erythematosus	Necrotizing Bacterial Dermohypodermitis or Necrotizing Fasciitis	New forms of Epidermolysis bullosa
Axonal polyneuropathies	Immune Suppressive Therapies	Diagnosis and treatment of Acrodermatitis enteropathica
Skin Diseases	Immune reconstitution inflammatory syndrome (IRIS)	Diagnosis and treatment of Ichthyosis
Common infections	**Pediatric Dermatology**	Genetic Disorders leading to genodermatosis
Inflammatory skin disease and Inflammatory Cutaneous Diseases	Pediatric atopic dermatitis	Epidemiology of genodermatosis
Severe skin rash, Urticarial and drug rashes	Pediatric melanoma	**Hair loss, Hair care and Hair therapy**
Allergic diseases	New forms of contact dermatitis in childhood	Types of Alopecia
Viral, Bacterial and Fungal skin infections	Cystic fibrosis and aquagenic wrinkling of the palms	Management of Hair loss: Medication and surgery
Dermatitis	Systemic Beta-Blockade for infantile hemangiomas	Radiation induced hair loss

Acne and Rosacea	Universal Acquired Melanosis in children (Black carbon baby)	Hair transplantation
Psoariasis and other Papulosquamous disease	Griscelli syndrome (silvery hair syndrome)	Platelet-Rich Plasma Therapy
Vitiligo	Systemic therapies for Psoriasis	Stem cell therapy
Eczema	PCOS- Polycystic Ovarian Syndrome in children	Genetics related to hair loss problems
Shingles (Herpes Zoster)	Pediatric Psoriasis: Pathogenesis and Relation to autoimmunity	**Psychodermatology**
Hives (Urticaria)	Pediatric Psoriasis: Clinical characteristics, Diagnosis and Treatments	Primary and secondary psychiatric disorder
Cold Sores (Fever Blisters)	Scabies: Diagnosis and Treatment	Psychophysiologic or psychosomatic disorders
Plant rashes	Attention Deficit hyperactivity Disorder and Dermatitis	Trichotillomania
Skin Diseases Modeling	Immunology of Pediatric skin infections	Atopic Dermatitis and psychosocial morbidity in atopic dermatitis
Panel Discussion	Coffee Break	Dermatology and behavioral health
Lunch Break	Panel Discussion	Neurotic excoriations, factitial dermatitis and skin lesions in response to a delusional belief
Speaker Forum (Cont...)	*Speaker Forum (Cont...)*	Liaison therapy
Skin Cancer	**Veterinary Dermatology**	Coffee Break
Keratinocyte skin cancer (KSC)	Cavalier King Charles Spaniels	Panel Discussion
Actinic Keratosis	Intradermal Allergy Testing	*Speaker Forum (Cont...)*
Atyptical Moles	Immunotherapy	**Teledermatology and Teledermatopathology**
Basal Cell Carcinoma	Chronic Otitis	Teledermatology system for the melanoma diagnosis
Merkel Cell Carcinoma	Video-Otoscopy	Economic Evaluation of Telemedicine

Squamas Cell Carcinoma	Dermatohistopathology Service	Teledermatology intervention versus usual care
Non-melanoma skin cancer and pre-cancerous conditions of skin	Cutaneous Immune-Mediated Diseases	Tele-aesthetics
Sun-Exposure, Tanning Beds and Herbs	Infectious and Parasitic Skin Disorders	Areas of Application
Chemotherapy, Radiation therapy and Targeted therapy	Endocrine Disorders	Teledermoscopy
Cosmetic Dermatology	Laser Surgery	Teledermoscopically-aided dermatopathology
Randomized split-face	**Dermatopathology**	Mobile teledermatology
Photodynamic therapy	Non-dermatophyte Dermatoses	Suitability of cases for teledermatology
Multiple actinic keratoses	Annular erythemato-squamous lesions	**Diagnostic procedure, therapies and treatment**
Enlarged facial pores	Dermatophytic infections	Vaccination for dermatological disease
low-risk basal cell carcinomas	Epithelial sheath neuroma	Anaesthesia
Heterogeneity of Metastatic Melanoma	Apocrine intraductal carcinoma	Cryotherapy, Curettage and electrodessication
Plastic surgery	Pleomorphic rhabdomyosarcoma	Surgical complications
Medicinal cosmetics and their effects	Veterinary Dermatopathology	Techniques for Dermatological Diagnosis
Mohs surgery	Forensic Pathology	Direct immunofluorescence (DIF) of cutaneous tissue
Tattoo removal	Molecular Dermatopathology	Eosinophil major basic protein (e MBP) of tissue
Aesthetic and Surgical Dermatology	Mobile Teledermatopathology	Paraneoplastic pemphigus screen
Reduction of submental fat	Dermatopathology Practice	Dermoscopy
	Dermatopathologists	
Facial surgical scars	Dermatopathology Diagnosis	Drug delivery system
Temple □ surgical treatment		Combined Tissue Engineering
Aesthetic Applications	**Investigative Dermatology**	Microfluidic Technologies

Radiofrequency Devices	Genome Editing in Investigative Dermatology	Nivolumab therapy
Aesthetic removal of dermal nevi	Application of CRISPR-Cas9	**Entrepreneurship Investment Meet**
Photorejuvenation	Research Techniques	Panel Discussion
Laser Therapy for scars and stretch marks	Evolutionary relationship between human and fish AMPs	*Young Researcher Forum
Breast augmentation or reduction	Applications of nanotechnology in dermatology	Award Ceremony
Radio Frequency skin tightening	Investigative studies with PDT in dermatologic and plastic surgery	Closing Ceremony
Non-surgical liposuction	Practical applications of the Quantimet 720	
Panel Discussion	Physics of light sources: Applications in Clinical and Investigative Dermatology	
*Young Researcher Forum	Biochemistry and biophysics related to dermatology	
Panel Discussion	Panel Discussion	
Awards Ceremony	*Young Researcher Forum	
	Poster Session	
	Coffee Break	
	Best Poster Evaluation	
	Awards Ceremony
