WELCOME ADDRESS

Dear Attendees,

The CNS 2025 Organizing Committee is excited to welcome you to the **10th International Conference on Central Nervous System Disorders & Therapeutics**, set for **July 14-15, 2025**, in **Berlin, Germany**. This year's theme, "Innovative Approaches to Diagnosing, Preventing, and Managing CNS Disorders," highlights the growing need for new strategies to combat neurological diseases and improve patient outcomes globally.

Central Nervous System (CNS) disorders represent some of the most pressing challenges in modern healthcare, ranging from neurodegenerative conditions to psychiatric and neurovascular diseases. This conference aims to bring together leading minds from around the world to share insights, foster collaboration, and drive innovation in the field. Through keynote sessions, interactive panels, and poster presentations, the event will provide a comprehensive look at the latest breakthroughs and emerging therapies.

The congress will take place in Berlin, Germany's vibrant capital and a hub of scientific progress and cultural richness. As a city renowned for its contributions to medical research and innovation, Berlin offers the perfect setting for dynamic discussions and knowledge exchange. Its central location and excellent connectivity further enhance the experience, ensuring a seamless and inspiring visit.

We eagerly anticipate your participation and look forward to seeing you in Berlin in 2025 for a rewarding and memorable experience.

With Regards
CNS 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

CNS 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The CNS 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Neuroscience.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Neurology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

10th International Conference on Central Nervous System Disorders & Therapeutics is among the World's leading Scientific Conference. The two day event on CNS will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of Neurology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for CNS conference which will comprises of 15 major sessions designed to offer comprehensive sessions that address current issues in various fields of Neuroscience.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on CNS provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **CNS 2025**.

ABOUT CONFERENCE

Who Should Attend?

CNS 2025 Conference website is attracting 56000+ physicians, Neurologists, Neurosurgeons, Psychiatrists, Neurobiologists, Neuroimmunologists and Members from Neurology Organizations and Societies, Neuro & CNS drug Industries, Neuroscience associations & foundations Pharmaceutical companies, Psychologists, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Central Nervous System
- Neurodegenerative Disease
- Spinal Disorders and Spine Surgery
- Clinical Trial and Case reports in CNS
- Neurological Disorders
- Pediatric Neurology
- Neuroimmune Disease
- Epilepsy Disorders and Treatment
- CNS Biomarkers
- Neuroanesthesia
- Neuroplasticity & Neuroehabilitation
- Neuro Radiology-Dignostic Techniques
- Computational Neuroscience
- Neurosurgery
- Keyhole Brain Surgery
- Robotic Neurosurgery
- Neuro-Oncology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT BERLIN

Berlin stands as a beacon of innovation and scientific progress, making it an ideal host city for the 10th International Conference on Central Nervous System Disorders & Therapeutics. As Germany's capital and one of Europe's leading research hubs, Berlin is home to renowned universities, medical institutions, and neuroscience research centers. Institutions like Charité – Universitätsmedizin Berlin, one of Europe's largest university hospitals, drive pioneering studies in neurodegenerative diseases, brain imaging, and neuropharmacology. In between sessions, attendees can explore Berlin's rich intellectual landscape by visiting the Berlin Science Center, Max Delbrück Center for Molecular Medicine, and the Berlin-Brandenburg Academy of Sciences and Humanities, all contributing to advancements in CNS research.

Berlin's healthcare and biotechnology sectors are at the forefront of neurological research and development. The city fosters interdisciplinary collaboration between medical experts, engineers, and data scientists, creating an environment where cutting-edge ideas thrive. Outside the conference, participants can visit Museum Island, a UNESCO World Heritage site, or take a walk through the Berlin Botanical Garden, known for its peaceful ambiance and diverse flora, offering a reflective space to unwind. For those interested in history and science, the German Museum of Medical History provides a fascinating glimpse into the evolution of medical practices and neuroscience over the years.

Beyond research, Berlin offers a unique platform for fostering international partnerships and knowledge exchange. Its vibrant culture, open-minded atmosphere, and global connectivity attract top-tier talent and experts from around the world.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
cns@memeetings.com

Academic

Speaker Registration: € 599
Delegate Registration: € 499
Package A (Registration + 2 nights' Accommodation): € 899
Package B (Registration + 3 nights' Accommodation): € 1049

Business

Speaker Registration: € 699
Delegate Registration: € 599
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1149
Exhibitor: € 1399

Student

Student Delegate: € 349
Young Researcher Forum: € 399

Important Dates

Abstract submission opens: December 15, 2024
Registration opens: December 15, 2024
On spot registration: July 14, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
