Why Video Presentations?

Unavailability to travel due to various issues such as time constraint and visa to enter the country. Video presentation is one best option to put across your research at a global platform. Having video played at the conference proceedings, would surely serve the purpose of online visibility for your research.

- No Travel Plan & Agreements
- No Visa Issues
- No Appointment to be cancelled
- No Break from the regular schedule

OCM certification

Every conference is been signed by an eminent member related to the topic of the respective conference. Having the certificate signed by the eminent personality to related field of your research would add an value to your research

Upon participating, OCM hard copy certification would be sent to respective participant

CPD Certification:

The Video Presenter may avail up to 20 CPD Credits

Duration of Video Presentation: Every video presentation would receive 10-15 minutes time span to play the video as a part of scientific program

Acknowledgements, Review & Communications of Session Chairs & Speakers:

Your Video will be represented by one of our scientific committee member. After the presentation, session chairs will call for queries from the session co-chairs and the rest of the speakers in the session.

Soon after the conference, all the communications from the session Chair and co speakers will be mailed to you.
