Invitation...

Dear Colleagues,

Conference Series LLC welcomes you to attend **"4th International Conference on Chronic Obstructive Pulmonary Disease"** during **May 29-31, 2017** at **Osaka, Japan** with the theme **"Reviving new aspects to explore the innovative strategies: The next decade in COPD"**. This international meet **(COPD 2017)** provides the perfect platform for the scientific community as an interactive and engaging 3-day event: unique in format, content, networking and engagement. By bringing together the pulmonary community, presenting the latest developments, and identifying unmet treatment needs, COPD 2017 hopes to accelerate research and drug development in COPD, improving patient outcomes.

Organizing Committee Members

Yong-Xiao
Albany Medical College
USA

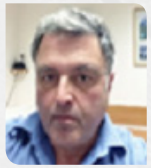

Ken Ohta
National Hospital Organization
Tokyo National Hospital
Japan

Hiroaki Kume
Kindai University
Japan

Nobuaki Miyahara
Okayama University
Japan

Amnon Ariel
ClalitHeathcare Services
Israel

Mohamed Eddouks
Moulay Ismail University
Morocco

Tentative Agenda

May 29, 2017 Monday	
Time	**Session**
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Track 1: Types of COPD
	Track 2: Signs and Symptoms of COPD
13:00-13:45	Lunch Break**
13:45-16:00	Track 3: Pathogenesis of COPD
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Track 4: Pathophysiology of COPD
Day Concludes	

May 30, 2017 Tuesday	
Time	**Session**
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Track 5: Management of COPD
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Track 6: Complications Associated with COPD
12:00-13:00	Track 7: CO-Morbidities in COPD
13:00-13:45	Lunch Break**
13:45-16:00	Track 8: Epidemiology of COPD
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Workshop
Day Concludes	

May 31, 2017 Wednesday	
Time	**Session**
09:30-10:30	Track 9: Diagnostic Evaluation of COPD
	Network & Refreshments Break*
10:30-11:30	Track 10: COPD Therapeutics At Stages
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Track 11: COPD Exacerbations
12:20-13:00	Track 12: Self-Management and Prevention of COPD
13:00-13:45	Lunch Break**
13:45-16:00	Special sessions
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Award Ceremony
Conference Concludes	

* Exclusive Exhibitor Event | ** Networking Event

Note: Conference schedule is subject to change.

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.

Renowned Speakers

Title: Novel signaling mechanisms for airway remodeling and hyperresponsiveness in chronic obstructive pulmonary disease (COPD)

Yong-Xiao Wang

Albany Medical College, USA

Title: Involvement of allosteric GPCR modulation in synergistic effects of b2-adrenergic receptor agonists with muscarinic receptor antagonists in airway smooth muscle

Hiroaki Kume

Kindai University, Japan

Title: Importance of IL-23 to the development of emphysema

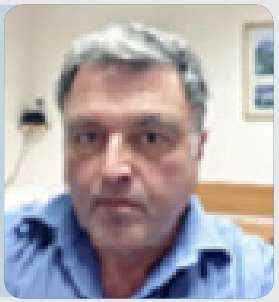

Nobuaki Miyahara

Okayama University Graduate School of Health Science
Japan

Title: Gaps and bridges in evolving rationale of COPD pharmacotherapy

Amnon Ariel

Clalit Heathcare Services, Israel

Renowned Speakers

Title: Self-management behaviors in patients with Chronic Obstructive Pulmonary Disease: The role of physical limitation

Doris YP Leung

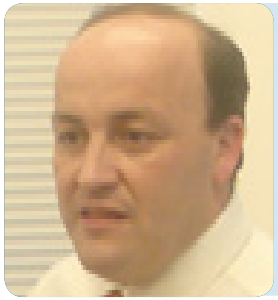

Netherosle School of Nursing, Hong Kong

Title: Prevalence and determinants of cognitive impairment in COPD patients enrolled for Pulmonary Rehabilitation: A preliminary analysis

Vasileios Andrianopoulos

Schoen Klinik Berchtesgadener Land
Germany

Title: Physiotherapy Management of COPD Exacerbations

Juan E. Keymer R

Clinica Alemana- Universidad del Desarrollo, Santiago
Chile

Title: The impact of short term atmospheric particulate matter exposure on COPD exacerbations

Michal Zielinski

Medical University of Silesia
Poland

Renowned Speakers

Title: Knowledge and Practice of Dry Powder inhalation among the patients with Chronic Obstructive Pulmonary Disease in a Regional Hospital

Mira Baral
Tribhuvan University, Institute of Medicine, Pokhara Campus, Nepal

Keynote Speakers

Yong-Xiao
Albany Medical College
USA

Hiroaki Kume
Kindai University
Japan

Workshop on

Title: Web-based patient education in COPD – Empowering COPD patients to optimize their well-being

Margaretha Lundin
SkaraborgsHospital
Sweden

Speaker slots available

Past Conference Report

Conference series LLC hosts the prestigious "4th International conference on Chronic obstructive pulmonary disease" scheduled on May 29-31, 2017 Osaka, Japan after the successful 3rd International Conference on Chronic Obstructive Pulmonary Disease which was held during July 11-12, 2016 at Brisbane, Australia. The conference was marked with the attendance of Editorial Board Members of supported Conference Series LLC journals, scientists, young and brilliant researchers, business delegates and talented student communities representing more than 20 countries, who made this conference fruitful and productive. This conference was based on the theme, "Novel Insights in Therapeutic Strategies on COPD"

COPD 2017 will feature a global audience of scientific leaders, academia and respiratory professionals, who are going to discuss today's emerging treatments and diagnostics in COPD. By bringing together the pulmonary community, presenting the latest developments, and identifying unmet treatment needs, COPD 2017 hopes to accelerate research and drug development in COPD, improving patient outcomes.

Keynote Speakers @ 2016 Conference

Joaquim Gea
Spain

Patrick Vanscheeuwijck
Switzerland

Venue

Osaka, Japan- Osaka is a designated city in the Kansai region of Japan. It is the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants.

Must visit destinations in Osaka

- Osaka Castle
- Osaka Aquarium
- Shiteno-ji Temple
- Umeda Sky Builiding
- Minami

Osaka is known for its food, in Japan and abroad. Osaka is the food capital of the world. Osaka is known for its fine sake, which is made with fresh water from the prefecture's mountains. Osaka's culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants, and proximity to the ocean and waterway trade. In recent years, Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture. Osaka Science Museum . The Museum of Oriental Ceramics holds more than 2,000 pieces of ceramics, from China, Korea, Japan and Vietnam.Osaka Municipal Museum of Artis.

You'll fall in love with Osaka
