ABOUT CONFERENCE

ME Conferences is pleased to announce the upcoming "14th International Conference on Anesthesiology and Critical Care" scheduled during September 03,2021.

Critical Care 2021 will be an online event concentrating on the core knowledge and major advances in the ever-expanding field of anesthesiology by attracting experts on a global scale.

Critical Care 2021 theming "New Innovative Opportunities to Allow Patient Engagement" aims at proclaiming knowledge and sharing new ideas among the professionals, industrialists, researchers, and students from the research area of anesthesia, intensive care medicine, critical emergency medicine, and pain medicine.

14th International Conference on Anesthesiology and Critical Care
