18th Annual Conference on Crop Science and Agriculture

July 25-26, 2022 London, UK

Theme:"Emerging New Trends in Sustainable Agricultural Practices and Crop Science".

About Conference:

ME Conferences is gratified to welcome you to the 18th Crop Science and Agriculture Summit which is going to be scheduled on July 25-26, 2022 London, UK . It'll be encompassed with the theme "Emerging New Trends in Sustainable Agricultural Practices and Crop Science". The main objective of Crops-Agri-2021 is to provide a global platform for the researcher to present their innovation.

Crops-Agri-2021 will help people directly or indirectly related to the Agriculture industry and academics. Through this webinar, people can share their ideas and can improve their knowledge of advanced strategies to increase industrial productivity.

Interested speakers can submit abstracts along with their biography and photo. The abstract must contain 250-300 words and you can submit your abstract directly to our website. Speakers can choose a subject from our scientific sessions otherwise you can even present your own analysis in respective field.
