Invitation…

Dear Colleagues,

Conference Series LLC welcomes you to attend ADA-CERP accredited 39th Asia-Pacific Dental and Oral Care Congress to be held from October 26-28, 2017 in Osaka, Japan with the theme "Bridging Excellence in Dental and Oral Care". This international meet (Dental Care 2017) provides the perfect platform for the scientific community as an interactive and engaging 3-day event: unique in format, content, networking and engagement. The event brings together truly innovative thinkers who are leading the way through trailing new disruptive solutions.

Dental Care 2017 will be an excellent learning, sharing and networking platform for Dentists, Dental Hygienists, Dental Assistants, Dental Business Assistants, Practice Managers and other members of the dental team's from the Asia-Pacific region and beyond. It will provide continuing education opportunities as well as world-class scientific content delivered by quality keynote speakers, with plenary sessions, symposia, hands-on workshops and exhibition.

We look forward to welcoming you to Osaka, Japan

With Regards,
Scientific Committee
Dental Care 2017

Why Dental Continuing Education?

Advances in innovation and technology are continually putting dental practitioners at risk of falling behind on the off chance that they don't keep up. As a dental practitioner, these consistent changes move you to learn better approaches to enhance patient care. Impart your new learning to your staff. Enlighten your patients regarding your dedication towards continuing education. Staying aware of progress and adapting new practice strategies prompts to individual and practice development. A commitment to continuing education is your best chance to not simply keep pace, but rather to develop.

Tentative Agenda

Saudi Arabia

Past Conference Report:

Conference Series LLC organized the **18th Asia-Pacific Dental and Oral Care Congress** at **Best Western Premier Hotel 115, Melbourne, Australia** during **November 21-23, 2016** with a focus on **"Defining the Future Vision of Dental and Oral Health Care".** It was a great success, where eminent keynote speakers from various reputed Universities and Organizations made their resplendent presence and addressed the gathering.

Dental Care 2016 Organizing Committee would like to thank the Moderator of the conference, Bruce Forlong, New Zealand Cosmetic Teeth Whitening Association, New Zealand who contributed enormously for the smooth functioning of this event.

Conference Series LLC would like to convey a warm gratitude to all the Honorable Guests of Dental Care 2016:

Dr Garth Pettit, University of Adelaide, Australia
Dr Jamie Harris, Adelaide University, Australia
Dr Baek Il Kim, Yonsei University, Republic of Korea
Mr Bruce Forlong, New Zealand Cosmetic Teeth Whitening Association, New Zealand
Dr Harry Marget, East Bentleigh Dental Group, Australia

Dental Care 2016 witnessed an amalgamation of peerless speakers who enlightened the attendees with their knowledge and confabulated on various newfangled topics related to the field of Dental and Oral Health.

Dr Garth Pettit, University of Adelaide, Australia presented a paper on "Educating Children in Oral Disease Prevention", Dr Jamie Harris, Adelaide University, Australia gave a presentation on "How to retire from dentistry in 4 years?"; Dr Deepan Duraisamy, Clear Braces Centre, Australia presented on "Emotional dentistry and a little bit about digitally designed smiles"; Dr. Baek Il Kim, Yonsei University, Republic of Korea enlightened the audience with his presentation "New optical fluorescence technology for early detection of oral disease"; Bruce Forlong, New Zealand Cosmetic Teeth Whitening Association, New Zealand elucidated on "How to Build a Successful Practice by Developing a Profitable Client Acquisition Plan"; Kulbhushan Joshi, New Zealand Cosmetic Teeth Whitening Association, New Zealand described about "The latest revolution in cosmetic teeth whitening which is quickly becoming favorable across the world for dental practices and patients, and recognition of the New Zealand cosmetic teeth whitening association as an equivalent of the NZDA–Lovely smiles teeth whitening & NZCTWA"; Dr Harry Marget, East Bentleigh Dental Group, Australia explained about the "How to build, maintain and grow a $10 million dollar dental practice",

Ali Kazemi, Shahed University, Iran conducted a workshop on "Repair of furcation perforation using MTA" on November 23, 2016 in connection with the conference as a curtain raiser to this topic.

This conference was a path breaking opportunity for students, and they were given a chance to exhibit their paramount research work through Poster Presentations and discuss the same with exalted scientists.

All the papers presented at Dental Care 2016 have been published in the proceedings of the "Journal of Oral Health and Dental Management".

With the enormous feedback from the participants and supporters of Dental Care 2016, Conference Series LLC is glad to announce 39th Asia-Pacific Dental and Oral Care Congress to be held from October 26-28, 2017 in Osaka, Japan

Plan a trip to Osaka

Venue

Osaka is the second largest city in Japan, serving as a major economic hub for the country. Osaka is the most unique city and is roughly in the middle of Japan about 500km of the west in Tokyo) for 1400 years, Osaka has been a gathering place. The city has long conducted business not only nationwide but also with China and the Korean Peninsula, playing an important role as a centre of trade and cultural exchange. The Osaka regions continued to play an important role in Japan's development. Osaka's development into a major city began in the mid-sixteenth century, a time of great social instability and frequent internal warfare. Local feudal lords acted autonomously, unrestrained by a weak central government.

Osaka is known for its food, in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have suggested that Osaka is the food capital of the world. Osakans' love for the culinary is made apparent in the old saying Kyotoites are financially ruined by overspending on clothing; Osakans are ruined by spending on food. Regional cuisine includes okonomiyaki (pan-fried batter cake), takoyaki (octopus in fried batter), undo (a noodle dish), as well as the traditional oshizushi (pressed sushi), particularly batter (pressed mackerel sushi). Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture.

The best time to travel to Osaka in Japan The months May, June, July, September and October have nice weather with a good average temperature.

The city's transport network is very well developed. Subways make it possible to reach anywhere in the city with in about 30 minutes. Osaka is about 30 minutes by train from Kyoto and Nara with their many cultural and historical sights, and Kobe with their exotic and fashionable atmosphere.

Venue:
Osaka, Japan
