Why Dental Continuing Education?

Advances in innovation and technology are continually putting dental practitioners at risk of falling behind on the off chance that they don't keep up. As a dental practitioner, these consistent changes move you to learn better approaches to enhance patient care. Impart your new learning to your staff. Enlighten your patients regarding your dedication towards continuing education. Staying aware of progress and adapting new practice strategies prompts to individual and practice development. A commitment to continuing education is your best chance to not simply keep pace, but rather to develop.

Plan a trip to Kuala Lumpur

Venue

Kuala Lumpur is the capital of Malaysia, boasting gleaming skyscrapers, colonial architecture, charming locals, myriad of natural attractions and trendy nightspot. Kuala Lumpur is widely recognized for numerous landmarks, including the world's tallest twin skyscrapers (Petronas Twin Towers), Pedaling Street flea market, Batu Caves more than 400 million years old and shopping malls. Kuala Lumpur offers a mouth-watering mix of Asian culinary traditions for the food lovers.

Kuala Lumpur is vibrant mix and incense-wreathed, colourfully decorated mosques and temples of the country's Malay, Chinese and Indian communities. An admiration for these ancient cultures is well balanced with a drive to be plugged into the modern world, as evidenced by an exciting contemporary art and design scene and a buzzing digital economy.

Malaysia is favorite destination for many multinational companies. Malaysian government is dedicated to create a dynamic and progressive business environment to ensure potential investors are drawn into a thriving economy. More than 3,600 MSC-status companies from 40+ countries operating in Malaysia. Skill specific programs are structured to continuously develop entrepreneurs and businesses to obtain relevant knowledge.

Malaysia consists of 13 States and three Federal Territories including the capital, Kuala Lumpur, covering two different geographical regions divided by the South China Sea, Peninsular Malaysia and East Malaysia. Peninsular Malaysia, with 11 states, lies at the southernmost tip of the Asian continent, while the states of Sabah and Sarawak are located on the north-western coast of the island of Borneo.

Malaysia is a multi-ethnic country and the world's largest Islamic financial centre, whose rapid economic growth made it known as the "Asian Dragon".
