About the conference

Dental Education 2025 Conference is a prestigious international event designed to foster progress in dental education, research, and clinical practice. Taking place on May 28–29, 2025, in Paris, France, this conference will bring together leading dental professionals, educators, researchers, and industry innovators to discuss and explore the latest advancements in implantation and veneers. It offers an invaluable platform for attendees to engage in cutting-edge discussions, share insights, and collaborate on shaping the future of dental education and practice.

With the theme “Innovations in Implantation and Veneers: Shaping the Future of Modern Dental Education”, this event underscores the importance of pioneering techniques and collaborative efforts in transforming the field. Attendees will benefit from keynote presentations, hands-on workshops, scientific sessions, and networking opportunities, making it a must-attend event for anyone passionate about the future of modern dentistry.

It is my sincere hope that the Dental education 2025 will act as an international platform to meet researchers from all over the world, expand professional contacts and generate new opportunities, including the establishment of new collaborations.

Theme : “Innovations in Implantation and Veneers: Shaping the Future of Modern Dental Education”
