Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

About Boston, USA

Boston is one of the oldest cities and is the capital and most populous city of the Commonwealth of Massachusetts in the United States. It has become the latest city to commit to running on 100% renewable energy. Its plenty of museums, historical sights and abundance of live exhibitions for these reason the city gets 16.3 million visitors a year, making it one of the ten most prominent visitor areas in the nation. Boston is surrounded by the "Greater Boston" region. Boston is sometimes called a "city of neighbourhoods" as a result of the bounty of differing subsections; the city government's Office of Neighbourhood Services has authoritatively assigned 23 neighbourhoods. Boston has a humid continental climate. Boston's schools and colleges apply a huge effect on the territorial economy. Boston pulls in more than 350,000 understudies from around the globe, who contribute more than US$4.8 billion every year to the city's economy. Boston has been known as the "Athens of America" for its abstract culture, procuring notoriety for being "the scholarly capital of the United States."

Boston's public transportation system is operated by the Massachusetts Bay Transportation Authority, but locals know it simply as the "T".It offers subway, bus, trolley car and boat service to just about everywhere in the Greater Boston area and beyond. Subway stops are color coded - Red Line, Green Line, Blue Line, Orange Line or Silver Line.

Operated by the Massachusetts Bay Transportation Authority, Boston's Commuter Rail services the outlying Boston suburbs. Service is available from several T stations, but most departures take place at South Station, North Station or Back Bay Station. Taxi service is available throughout the city. Service is widely available throughout Massachusetts. All intercity/interstate buses depart from South Station. Ticket counters are located on the third level of the Transportation Center. For information, call the South Station Bus Terminal at 617-737-8040.
