11th Annual Congress on Dental Medicine and Orthodontics

February 23-24, 2023

Theme: "Life is better when you're smiling"

ABOUT CONFERENCE

Dental Medicine Congress 2023 is a perfect occasion intended for International well-being Dental and Oral experts too. The gathering welcomes members from every driving university, clinical examination foundations and symptomatic organizations to share their exploration, giving a showcase of the most recent dental procedures. This is to encourage the usage and distribution of exploration discoveries associated with oral well-being and to foster collaborations in the middle of oral and systemic well-being.

The theme of the meeting is "Life is better when you're smiling" which will provide an international platform for discussion of present and future challenges in oral health, dental education, and expertise meeting. Clinicians, World-leading health practitioners, educators, and researchers will present cutting-edge researchers and practical clinical techniques based upon widely accepted evidence
