Invitation…

Dear Colleagues,

Conference Series LLC welcomes you to attend ADA-CERP accredited 30th Annual Conference on Dental Practice and Oral Health. The main theme of the conference is "Future Prospects and New Challenges in Dental Practice and Oral Health".

This international meet (Dental Practice 2017) provides the perfect platform for the scientific community as an interactive and engaging 2-day event: unique in format, content, networking and engagement. The event brings together truly innovative thinkers who are leading the way through trailing new disruptive solutions.

Dental Practice 2017 will be an excellent learning, sharing and networking platform for Dentists, Dental Hygienists, Dental Assistants, Dental Business Assistants, Practice Managers and other members of the dental team's from the Asia-Pacific region and beyond. It will provide continuing education opportunities as well as world-class scientific content delivered by quality keynote speakers, with plenary sessions, symposia, hands-on workshops and exhibition.

We look forward to welcoming you to Osaka, Japan

With Regards,
Scientific Committee

Venue

Macau is bordered by the city of Zhuhai in China to the North and the Pearl River Estuary to the East and South.Macau is among the world's richest regions, and as of 2015 its GDP per capita by purchasing power parity is higher than that of any country in the world, according to the World Bank. It's economy heavily dependent on tourism as well as manufacturing. Main attractions in the city are Ruins of St Paul, Senado Square, Venetian Macau, A Ma Temple, Macau Fisherman's Wharf, Kun Iam Statue, Macau Tower, St Lawrence Church, Greyhound Racin.

According to The World Fact book, Macau has the fourth highest life expectancy in the world. Moreover, it is one of the regions in Asia with a "very high Human Development Index", ranking 18th in the world as of 2014. Macau participates in international organizations and events that do not require members to possess national sovereignty.

Culture:
The mixing of the Chinese and Portuguese cultures and religious traditions for more than four centuries has left Macau with an inimitable collection of holidays, festivals and events. The biggest event of the year is the Macau Grand Prix in November, when the main streets in Macau Peninsula are converted to a race track bearing similarities with the Monaco Grand Prix.

Cuisine:
Many unique dishes with spice blends that the wives of Portuguese sailors used in an attempt to replicate European dishes. Its ingredients and seasonings include those from Europe, South America, Africa, India, and Southeast Asia, as well as local Chinese ingredients. Famous dishes include minchi, capella, galinha à Portuguesa, Galina à Africana (African chicken), bacalhau, Macanese chili shrimps and stir-fry curry crab. Pork chop bun, ginger milk and Portuguese-style egg tart are also very popular in Macau.

Venue:
Macau, Hong Kong
