About the conference

The Annual World Dental Summit 2023 is a perfect occasion intended for the International well-being of Dental and Oral experts too. The gathering welcomes members from every driving university, clinical examination foundation, and symptomatic organization to share their exploration, giving a showcase of the most recent dental procedures. This is to encourage the usage and distribution of exploration discoveries associated with oral well-being and to foster collaborations in the middle of oral and systemic well-being. “27th Annual World Dental Summit” to be held on November 23-24, 2023, in Paris, France

The theme of the meeting is “Reviewing excellence in the dental world” which will provide an international platform for discussion of present and future challenges in oral health, dental education, and expertise meeting. Clinicians, World-leading health practitioners, educators, and researchers will present cutting-edge research and practical clinical techniques based on widely accepted evidence.

Theme: “Reviewing excellence in the dental world”.

Why to attend the conference

World Dental Summit 2023 could be a unique event that brings together an International mix of leading universities, research institutions, and Dental communities making this conference a perfect platform to foster collaborations and share experiences across the globe. This will be the best opportunity to reach a large number of participants from the Oral community. World-renowned speakers and futuristic approaches to dental medicines add color to this conference. World Dentistry Summit 2023 enlarges the opportunity to evaluate emerging technologies and recent updates in oral health care across the globe.
