CHARLOTTE

September 20, 2017

Greetings!

On behalf of the citizens of Charlotte, I would like to welcome the attendees of the 2017 International Conference on Diabetes to Charlotte on September 20 – 22, 2017. We are happy that you have chosen Charlotte for this event and we trust that you will feel comfortable and at home in the Queen City.

It gives me great pleasure to share our fast-growing, dynamic, and innovative city with such a diverse and impressive group. Charlotte continues to be recognized and selected as a meeting destination by an increasing number of organizations. It is a community of pleasant tree-lined neighborhoods, parks and museums, restaurants, and sports facilities. We are especially proud to be the home of the NASCAR Hall of Fame, the Levine Center for the Arts which includes The Bechtler Museum of Modern Art, and the Harvey B. Gantt Center for African-American Arts +Culture. In addition, the activities available in our vibrant Center City mixes dining, entertainment, and cultural amenities that are distinctly Charlotte.

Again, we are pleased to have you join us in Charlotte and we welcome the opportunity to share our southern hospitality with you.

Warm regards,

Jennifer Watson Roberts
Mayor
