WELCOME ADDRESS

Dear Attendees,

The Diabetes-2026 Organizing Committee is absolutely delighted to welcome you to the **19th International Summit on Diabetes** which will be held in **London, UK** on **February 23-24, 2026,** where we will be shining a spotlight on *"Innovations and Integrative Approaches in Diabetes Management"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your diabetes and clinical research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress will be held in London, the vibrant capital of the United Kingdom, renowned for its rich history and cultural diversity. The city hosts many prestigious international congresses, making it a global hub for diplomacy and innovation. Famous landmarks such as the Houses of Parliament, Buckingham Palace, and the Tower of London attract millions of visitors each year.

We look forward to seeing/welcoming you in 2026 for an experience of a lifetime.

With Regards
Diabetes-2026
Organizing Committee

ABOUT US

Goals & Objectives

- The Diabetes-2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Diabetes, Control & Prevention.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Diabetes.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

19th International Summit on Diabetes is among the World's leading Scientific Conference. The two day event on Diabetes will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Diabetes & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Diabetes conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Diabetes.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Diabetes provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Diabetes-2026**.

ABOUT CONFERENCE

Who Should Attend?

Diabetes-2026 Conference website is attracting 56000+ Academic Scientists, Leading Endocrinologists, Surgeons, Primary Health care specialists, Paediatricians, Pharmaceutical Industrial Delegates, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Type 1 Diabetes Mellitus: Advances in Understanding and Treatment
- Type 2 Diabetes: From Pathophysiology to Personalized Management
- Gestational Diabetes: Maternal and Fetal Health
- Diabetic Complications: Prevention and Management
- Diabetes and Metabolic Syndrome
- Nutrition and Lifestyle Interventions in Diabetes
- Diabetes Technology: Continuous Glucose Monitoring and Insulin Delivery
- Psychosocial Aspects of Diabetes Care
- Diabetes Education and Self-Management
- Diabetes Prevention and Public Health
- Diabetes in Special Population
- Diabetic Retinopathy
- Physical Activity Guidelines
- Epidemiology and mechanisms
- Diabetes and Mental health
- Dialysis and Transplantation

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA
