ABOUT US

Diabetes Conference 2021

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Objectives

- *After participating in this meeting, attendees should be able to Discuss emerging issues in Diabetes.*
- *Discuss and apply recent research findings related to Diabetes & Endocrinology*
- *Reflect on the place of critical distance in Diabetes Research.*

Who should attend?

- *Endocrinologists, Diabetologists, Researchers, Practitioners/Doctors, Students, Nurse educator, Podiatrist, Dietitian, Eye Doctors, Nephrologists, Physical trainer or Exercise physiologist*
- *Healthcare Faculty, Medical Colleges, Healthcare Associations and Societies, Business Entrepreneurs, Training Institutes, Manufacturing Medical Devices Companies, Data Management Companies*

Conference Sessions

- *Endocrine and Diabetes Disorders*
- *Pathophysiology: Endocrinology*
- *Pediatric endocrinology*
- *Endocrine & Diabetic Diagnostic Tools and Tests*
- *Endocrinology: Male & Female Reproductive Health*
- *Advance Treatment and Prevention of Diabetes*
- *Diabetic Nephropathy & Retinopathy*
- *Diabetes Ophthalmology*
- *Diabetes and Skin complication*
- *Diabetes and Cardiovascular Diseases*
- *Diet and Weight Management*
- *Diabetic Foot and Ankle*
- *Biomarkers for Diabetes*
- *Diabetes Complication and Management*
- *Gestational Diabetes*
- *Genomic Endocrinology*
- *Environmental Endocrinology*

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT AMSTERDAM

Amsterdam, city and port, western Netherlands, located on the Ijsselmeer and linked to the North Sea. It is the capital and the principal commercial and economic centre of the Netherlands. To the amounts of tourists who visit each year, Amsterdam is known for its historical attractions, for its collections of great art, and for the unique colour and flavour of its old regions, which have been so well-preserved. It is easy to speak about Amsterdam, which is more than 700 years old, as a living museum of a ancient age and to admire the eternal beauty of the centuries old canals, the prehistoric patrician houses, and the atmosphere of freedom and patience.

Amsterdam is the official capital of the Netherlands but not the seat of government, which is The Hague. For example, the royal family visits occasionally in residence at the Royal Palace, on the square known as the Dam, in Amsterdam. Its intimate character is best reflected in the narrow, lively streets of the old town, where much of the population still goes about its business. While there are reminders of the glorious past such as gabled houses, noble brick covered with sandstone, richly decorated cornices, towers and churches, and the music of carillons and barrel organs, the truths of life in the modern city often oppose this romantic image.

IMPORTANT DATES

Abstract Submission Opens:	*May 1st 2021*
Registration Opens:	*May 1st 2021*
Early Bird Registration:	*May 1st 2021*
On Spot Registration:	*Oct 28th 2021*
