	Lunch Break 13.20- 14.05 @ Sunset 2
14.05- 14.30	Ulcerative colitis.
14.30- 14.55	Irritable Bowel Syndrome (IBS)
14.55- 15.20	Bowel Incontinence

Digestive and Metabolic Diseases 2018 Tentative Program

Poster Presentations@ 15.20- 16.20 (GCP 01-GCP 14)	
GCP 01	Management of GI motility
GCP 02	Gastrointestinal Motility disorders
GCP 03	Development of novel tools in motility
GCP 04	2Congenital disorders of digestive system
GCP 05	Gastrointestinal tract disorders
GCP 06	Gastrointestinal disease treatment
GCP 07	Advances in Gastrointestinal Hepatology
GCP 08	GI surgery for severe obesity- Bariatric surgery and its complications
GCP 09	Clinical Gastroenterology
GCP 10	Sphincter sparing surgery for colorectal cancer
GCP 11	Complex gastrointestinal surgery and its risk factors
GCP 12	Symptoms and signs: Digestive system and abdomen
GCP 13	Hepatocellular Carcinoma
GCP 14	Sphincter sparing surgery for colorectal cancer

Glimpses of Digestive and Metabolic Diseases Conferences

Major Scientific Sessions

- Liver and GastroIntestinal Disease
- Bowel Diseases
- Obesity and Nutrition
- Advances in Digestive Diseases
- Gastrointestinal Oncology
- Colorectal Diseases
- Gastrointestinal Surgery
- Functional GI and Motility Disorders
- Gastrointestinal Immunology
- Clinical Nutrition in Gastrointestinal Diseases
- Gastrointestinal Tract Imaging
- Metabolic Diseases

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

Best Tourist Destinations in Berlin

About Berlin

Berlin is the capital and the largest city of Germany, as well as one of its 16 constituent states. Berlin being the second most populous city proper in the European Union behind London and the seventh most populous urban area in the European Union has a steadily growing population of approximately 3.7 million. The city is influenced by a temperate seasonal climate and around one-third of the city's area is composed of forests, parks, gardens, rivers, canals and lakes.

Berlin is a world city of culture, politics, media and science. Its economy is based on high-tech firms and the service sector, encompassing a diverse range of creative industries, research facilities, media corporations and convention venues. Berlin serves as a continental hub for air and rail traffic and has a highly complex public transportation network. The metropolis is a popular tourist destination.Significant industries also include IT, pharmaceuticals, biomedical engineering, clean tech, biotechnology, construction and electronics.
