It was a good meeting in general"

Uma Sankar,
Indiana University School of Medicine, USA

I thoroughly enjoyed the meeting and want to thank you for giving me an opportunity to present my research"

Amanpreet Singh,
Wright State University Boonshoft School of Medicine, USA

It is my pleasure to announce that the conference was very nice opportunity to be part of this valuable meeting and I meet many researchers from different countries which learned me many aspects about different branches of my specialization. Everything was highly organized and hopes to be part in next meeting with my best regards."

Mufeed J Ewadh
Babylon University, Iraq

Genuinely one of the best conference I've attended. The Conference was inspiring and informative with relevant speakers I found it really insightful and interesting Conference really was very well organized. I wouldn't hesitate to recommend to anyone wanting to get a real understanding of how to approach of our 10th Global Summit on Toxicology and Applied Pharmacology. Thanks for the program. The Chicago City, people and the weather was very fabulous and food was delicious too. I really appreciated the insight that was provided, and the time you took following the session to provide additional feedback. Looking forward for many more opportunities in future and please kindly update me about the upcoming conference. Overall it was a great trip in my life."

K Prasuna
Kakatiya University, India

The conference was very useful. I have found two potential collaborators and had a chance to present my research to the audience that understands and is interested in the area of my expertize. Thanks to the organizers"

Alexei G. Basnakian,
University of Arkansas, USA

I really enjoined the conference"

Gunnar Boysen,
University of Arkansas for Medical Science, USA

It was really a great conference scientifically and also socially with relevant speakers and very well organized.

Alenka Franko
University Medical Centre, Slovenia

I have learned a lot of things from the conference and it contained interesting research works related to toxicology. We have got certificates for presenting the research work. Toxicology 2015 was a very good experience for everyone, especially for the young researchers. Good luck for the upcoming conference!

Baragamaarachchi R Y
University of Colombo, Sri Lanka

I should comment that the Summit was excellent. Hope to help for the organization of next summit as well.!

Marcelo L Larramendy
National University of La Plata, Argentina

Although I couldn't present my study, I could learn a lot from many talks. I hope that the conference has a certain topic and discuss about it together. And I hope to participate in the conference next time.

About City

Chicago is among the largest cities in the U.S. Famed for its bold architecture, the population of the city is 2,695,598 and rank 3rd largest city in US. Chicago had the third largest gross metropolitan product in the United States at US $571 billion. With over 2.7 million residents, it is the most populous city in the state of Illinois and the Midwest. The city has many nicknames, which reflect the impressions and opinions about historical and contemporary Chicago. The best-known include the “Windy City” and “Second City”. Chicago has professional sports teams in each of the major professional leagues. The city’s waterfront location and nightlife has attracted residents and tourists alike. Over a third of the city population is concentrated in the lakefront neighborhoods of Rogers Park in the north to South Shore in the south. The nature lovers are not to be disappointed for this place has something in store for everybody. Animal lovers will love the Lincoln Park Zoo, the Brookfield Zoo, the Garfield Park Conservatory and the Lincoln Park Conservatory should satiate the eyes of those looking for some quiet enjoyment. Culturally very sound, this city offers you the best of African American, Asian and Latino cultures. Since it was the home of the Great Migration of the early 20th centuary, you will get to experience the cultural revival of the Harlem Renaissance. This city has a century old history of holding the most jazz musical shows, which you can still get to hear the city’s many night clubs. Not just music, this place also has a lot to say about the culture of African Americans.
