ME CONFERENCES

About Conference

ME Conferences is honored to invite participants from all around the world to the "14th Annual Congress on Drug Formulation & Analytical Techniques" to explore their knowledge in their various surgical specialties.

The conference includes a variety of sessions, such as Keynote, Oral, YRF (student presentation), poster, and e-poster presentations. Eminent speakers and delegates from all around the world are attending the conference to give their insightful presentations on their most current research work, as well as advanced methodologies, advances, and the most recent updates related to Drug Formulation.

14th Annual Congress on

Drug Formulation & Analytical Techniques

28 June 2022 | Webinar

Theme

Novelties in Drug Formulation & Manifesting advancements in Analytical Techniques

Website: https://drugformulation-bioavailability.pharmaceuticalconferences.com/

Conference Sessions

- Pharmaceutical Formulations
- Formulation Research and Development
- Clinical Trials
- Clinical Research
- Pharmaceutical Freeze Drying Technology
- Nanomedicine & Nanotechnology
- Analytical Method Development and Validation
- Pharmaceuticals Regulatory Affairs
- NMR and Small Organic Molecule Analysis
- Role of chemstry in Pharmaceuticals
- Industrial Pharmacy
- Shelf Life & Stability Studies
- Novel Drug Delivery System

Webinar

Who Attends

- PhD Scholars
- Graduates and Post Graduates
- Directors, CEO's of Organizations
- Association, Association presidents and professionals
- Noble laureates in Health Care and Medicine
- Bio instruments Professionals
- Bio-informatics Professionals
- Software development companies
- Research Institutes and members
- Supply Chain companies
- Manufacturing Companies
- CRO and DATA management Companies
