INVITATION FOR CONFERENCE

DEAR
COLLEAGUES,

We extend a warm invitation to the "**4th European Endocrinology and Diabetes Congress**" happening on **September 09-10, 2024**, in **Paris, France**, Theme "Mastering the Duo: Endocrinology and Diabetes in Clinical Practice." This congress covers a wide array of topics, offering attendees the opportunity to delve into every aspect of Endocrinology and Diabetes. Engage with globally renowned speakers, exchange experiences, and stay updated on the latest advancements in the field. We welcome all participants interested in contributing their research and data to this collaborative platform. Endocrinology 2024 brings together leading experts worldwide to explore cutting-edge research in the Endocrinology and Diabetes field, offering a unique stage for collaboration with global business delegates and researchers. Join us to gain insights into the causes and management of these critical health issues.

What's in store for 2024?

- Endocrinology and Metabolism
- Reproductive Endocrinology
- Endocrine Tumors and Neoplasia
- Diabetes Therapeutics and Diagnostics
- Clinical Trials and Research for Diabetes
- Adrenal Disorders
- Osteoporosis and Bone Health
- Thyroid Disorders

Closing Ceremony

Venue & Accommodation

Paris, France

Paris, France

Paris, the capital of France, is a city of unparalleled charm and cultural significance. Nestled along the banks of the Seine River, this iconic metropolis is renowned for its timeless beauty, from the awe-inspiring Eiffel Tower to the world-class art treasures housed in the Louvre Museum. Paris is a haven for fashion enthusiasts, with its haute couture boutiques and trendsetting designers, and it boasts a gastronomic scene that tantalizes the taste buds with exquisite cuisine and fine wines. Paris is a global center for art, literature, and intellectual discourse, drawing creatives and scholars from around the world. Paris, often referred to as the "City of Light," is an enchanting metropolis that stands as a symbol of culture, art, and history. Paris is a testament to the fusion of the old and the new, where cobblestone streets wind their way through neighborhoods that have witnessed centuries of history, while sleek modern buildings rise to meet the sky in bustling business districts.

Paris is also a city of ideas, a place where intellectuals, writers, and philosophers have gathered for centuries to engage in spirited debates. The Sorbonne University, with its rich academic tradition, continues to foster intellectual discourse.
