Endocrinology Conference-2025

About the conference

Join Us at the 21st World Congress on Endocrinology & Diabetes! On November 20-21, 2025, the captivating city of Paris, France, will host a transformative event bringing together global experts, researchers, and industry leaders in endocrinology and diabetes. This congress serves as a vibrant hub for sharing ground breaking research, exploring innovative treatments, and fostering collaborations that redefine the future of endocrine and metabolic health.

The event features an exciting program of keynote sessions, expert panels, and interactive workshops led by distinguished professionals. Dive into cutting-edge topics like personalized medicine, hormonal therapies, and advanced diabetes management while exploring an exhibition of the latest technologies shaping healthcare. Be part of this dynamic experience, strengthen your professional connections, and contribute to advancing healthcare worldwide!

Theme: "Redefining Endocrinology and Diabetes: Leading Breakthroughs for a Healthier Tomorrow", will be featuring the world class keynote talk, speakers presenting clinical studies, oral and poster presentation with interactive networking session, workshops and many more.

Why to attend the conference

The 21st World Congress on Endocrinology & Diabetes is a must-attend event for anyone passionate about advancing endocrine and diabetes care. By joining us in Paris, France, on November 20-21, 2025, you'll gain exclusive access to the latest research, innovative treatments, and cutting-edge technologies shaping the future of healthcare. This congress offers a unique opportunity to learn from global experts, participate in interactive sessions, and explore novel approaches to managing endocrine and metabolic disorders.

Whether you're a researcher, clinician, healthcare professional, or industry leader, this event provides an unparalleled platform to network with peers, exchange ground breaking ideas, and collaborate on impactful projects. Engage in thought-provoking discussions, discover emerging trends, and be part of a global movement dedicated to improving lives through advancements in endocrinology and diabetes management. Don't miss the chance to make a difference in your field!

OCM's & Renowned Speakers of the Conference

Mikhail G Kolonin
Director at University of Texas, USA

Douglas N Ishii
Professor at Colorado State University, USA

Massimo Collino
Professor at University of Turin, Italy

Haipeng Xiao
President of Sun Yat-sen University, China

LK Shankhdhar
Professor at Lekhraj Diabetes Hospital & Medical College, India

Carani B Sanjeevi
Professor of Medicine in Karolinska University Hospital, Sweden

Mayank Singhal
Associate Professor, USA

Belma Turan
Ankara University, Turkey

Rachel Knott
Robert Gordon University, UK

Special Benefits

- Research Excellence Award
- Scientific Service Achievement Award
- The Research Contribution Award
- The Upcoming Researcher Award
- The Women of Science Award
- Outstanding speaker in Endocrinology Conference 2025
- Best Keynote Speaker in Endocrinology Conference 2025
- Best Poster Presentation in Endocrinology Conference 2025
- Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Endocrinology Conference 2025
- Young Research Forum
- Best Presentation honorarium

Publication Opportunities

We provide you with the opportunity to publish your article with our Scopus indexed journals so that you can advance upward academic mobility through access to high-quality research and publication material.
