About the conference

Join us at the “14th European Endocrinology and Diabetes Congress” on November 27-28, 2024, in the beautiful city of Paris, France. Our theme, “Mastering the Duo: Endocrinology and Diabetes,” promises a comprehensive exploration of these vital medical fields. This congress offers a diverse range of topics, providing attendees with the opportunity to delve into all aspects of Endocrinology and Diabetes. Engage with globally recognized speakers, exchange experiences, and stay abreast of the latest advancements in the field. We wholeheartedly welcome all participants interested in contributing their valuable research and data to our collaborative platform. Endocrinology 2024 unites leading experts from around the world to explore cutting-edge research, providing a unique platform for collaboration with global business delegates and researchers. Join us for invaluable insights into the causes and management of these critical health issues.
