6th Annual Meeting on Diabetes and Endocrinology

January 30-31, 2023 Barcelona, Spain

About Conference

ME Conferences glad to announce our "76th Annual Meeting on Diabetes and Endocrinology" on January 30-31, 2023 Barcelona, Spain. The main theme of this conference is "Exploring the new technologies in the field of Diabetes". This is a great platform to explore your thoughts and suggestions to all the participants.

About Barcelona

Barcelona, the cosmopolitan capital of Spain's Catalonia region, is known for its art and architecture. The fantastical Sagrada Família church and other modernist landmarks designed by Antoni Gaudí dot the city. Museu Picasso and Fundació Joan Miró feature modern art by their namesakes. City history museum MUHBA, includes several Roman archaeological sites. Barcelona is famous for its outstanding football team, stunning architecture, lively nightlife, sandy beaches, and world-class cuisine. Not to mention a vibrant cultural heritage and colourful neighbourhood festivals that attract visitors from around the world. Barcelona, the traditional centre of Catalan movements for independence, is the capital of both the province of Barcelona and the autonomous community of Catalonia. The city is governed as a municipio (municipality) of Spain, and its elections are held every four years.

Target Audience

- *Endocrinologists*
