Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the International Conference on ENT Surgery during August 17-18, 2020 at London, UK. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Surgery.

ENT Surgery 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals.

This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can con irm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Reviving new aspects to explore the innovative strategies in ENT"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the ENT Surgery 2020 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to London this August.

Sincerely,

ENT Surgery 2020

About London

Why London ?

London is the capital of England and the United Kingdom. The population of London is 8.674 million. The imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations at its centre stand. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural and the entire city.

This city has the greatest concentration of top class universities in the world and its international student population of around 110,000 is larger than any other city in the world. London is home to five major medical schools – Barts and The London School of Medicine and Dentistry, King's College London School of Medicine (the largest medical school in Europe), Imperial College School of Medicine, UCL Medical School and St George's, University of London – and has a large number of affiliated teaching hospitals. It is also a major centre for biomedical research, and three of the UK's eight academic health science centres are based in the city – Imperial College Healthcare, King's Health Partners and UCL Partners (the largest such centre in Europe).
The presence of universities, hospitals, labs and other professional services, together with key installations of the U.K. make it favourite destination for scientific meetings.

Tourist attractions:

The little wonder London is one of the world's top tourist destinations, attracting upward of 15 million visitors each and every year. Britain's capital city is a vibrant arts and entertainment center and 50 years after the Beatles, the country's music still rocks. London also one of the planet's greatest concentrations of cultural attractions. From royal palaces to the people's parliament, from Roman ruins to castles and cathedrals, you could spend endless days exploring London's sites without ever running out of unique things to see and do.
