Major Scientific Sessions

- Environmental Health and Occupational Health
- Environmental Health and Biomedical Waste
- Environmental Health Hazards and Human Health
- Environmental Toxicology and Health
- Environmental Sciences and Pollution Research
- Environmental Health and Non Communicable Diseases
- Environmental Health and Engineering
- Preventive Medicine
- Family medicine
- Complementary medicine
- Preventive Medicine & Vaccination
- Environmental deterrents to Health
- Preventive Multi-Frequency Testing
- Preventive nursing
- Preventive orthodontic treatment
- Preventive paradigm
- Preventive Oncology
- Preventive Mental Health
- Preventive Medicine Measures
- Preventive Medicine and Public Health
- Preventive mastectomy

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
