# INVITATION

Dear Attendees,

We are excited to announce the 7th Global Summit on Environmental Health, to be held on September 23–24, 2025, in Paris, France, organized by Environmental Health 2025 with the generous support and cooperation of enthusiastic academicians and editorial board members. The conference is focused on the theme: "Environmental Health in a Changing Climate."

Environmental Health 2025 invites all speakers, scientists, healthcare professionals, environmental researchers, medical students, young researchers, experts, experimenters, officials, moderators, and exhibitors to join this global forum on environmental health and public safety. The event welcomes all researchers to take part in this critical discussion on the challenges and innovations in environmental health.

Why Attend:

This summit provides a unique opportunity for researchers, advocates, and exhibitors to share their cutting-edge work. It serves as a platform for academics from diverse fields and countries to present their research and foster interdisciplinary collaboration.

We look forward to personally welcoming you to our conference!

Sincerely,

Environmental Health 2025

## ABOUT VENUE

# CITY ATTRACTIONS

Paris, the capital of France, is a city celebrated for its iconic landmarks, timeless elegance, and rich cultural heritage. Its must-see attractions include the Eiffel Tower, offering panoramic city views, and the Louvre Museum, home to the world-renowned Mona Lisa. The Musée d'Orsay features Impressionist masterpieces, while the Centre Pompidou showcases contemporary art.

Cruising along the Seine or wandering through the charming Montmartre district reveals Paris's romantic ambiance. For nature lovers, the Luxembourg Gardens offer a peaceful retreat. Food lovers can savor French delicacies such as croissants and escargot at local cafés and street markets.

The city's historic Latin Quarter and bustling Champs-Élysées reflect its vibrant energy, while Le Marais is ideal for boutique shopping. Whether enjoying a river cruise or exploring nearby Versailles, Paris beautifully blends history, culture, and sophistication.
