Invitation

Dear Colleagues,

We welcome you to attend the 9th International Conference on Environmental Microbiology, Soil Microbiology & Microbial Biogeochemistry during November 27-28, 2024 at Montreal, Canada. The relative novel Microbiology of the conference is to bring the advancement in the field of utilization of Environment. We cordially invite all the participants interested in sharing their knowledge and research in the arena of Microbiology and environmental sciences.

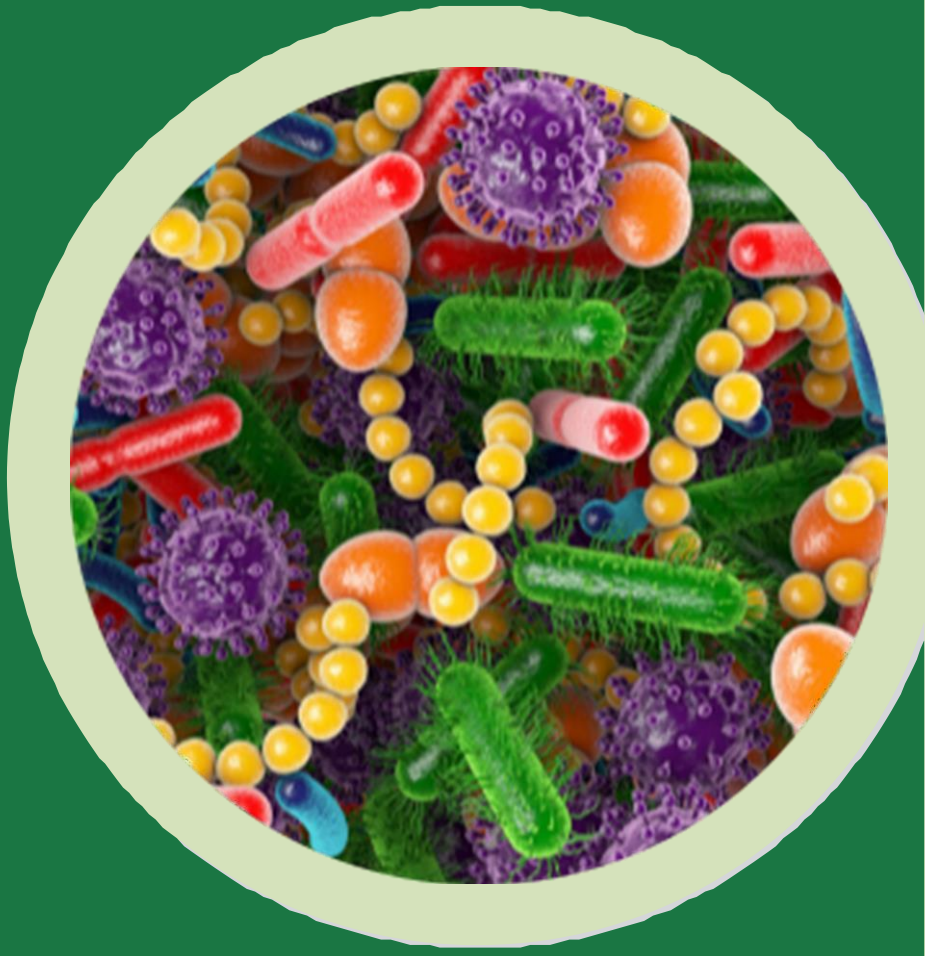

Environment Microbiology 2024 is the integration of new technologies in the field of environmental science to help Environmental Professionals harness the full potential of their practice. It involves the use of tools and technologies to achieve a certain degree of publicity and broaden the reach of the practice and the practitioner. The conference is a rare opportunity for all individuals of the environmental community to upgrade their know-how of the latest technologies & strategies

Sincerely,

Environment Microbiology 2024
