Tentative program

5th World Congress on

EPIGENETICS AND CHROMOSOME

November 15-16, 2018 | Istanbul, Turkey

Theme: Shaping the future of Epigenetics and Genome Biology

Epigenetics Congress 2018

Conference series

47 Churchfield Road, London, W3 6AY, UK

Email: epigenetics@memeetings.net | epigenetics@memeetings.com

Past Conference Report

Thank you to everyone for their participation in the 2nd International Congress on Epigenetics and Chromatin which took place at Frankfurt, Germany during November 06-08, 2017. The analysis of the conference evaluation forms shows that the event was very well received as a valuable and stimulating. Most of the delegates who completed the conference evaluation forms rated the conference as “excellent” or “very good”.
The conference was initiated with the Honorable presence of the keynote
The choice of venue was also very popular with the delegates: the majority rated the convenience of the location, its comfort and facilities and the catering as “excellent”.
Of course, an enormous amount of effort goes into planning a conference such as this, and we owe thanks to all involved. First, we are very grateful to the conference sponsors.
A special vote thanks is due to our speakers, moderators, chairs, student rapporteurs, for their contributions on the day, as well as the hard work devoted to preparing for their roles. We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums.
We sincerely thank the Organizing Committee Members for their gracious presence, support and assistance towards the success of Epigenetics 2017.

5th World Congress On

Epigenetics Congress 2018

Epigenetics and Chromosome

November 15-16, 2018 | Istanbul, Turkey

Day 1 November 15, 2018

Registrations
Opening Ceremony

Keynote session

Title: Digital transformation in bioinformatics
Ihsan Soytemiz, Turkish Biologist Association, Turkey

Title: Effect of urate, an end product of purine nucleosides catabolism, on sperm function.
Saleem Ali Banihani, Jordan University of Science and Technology, Jordan

Group Photo

Lunch break

Sessions: Epigenetics | Epigenomes | Chromatin | Cancer Epigenetics

Session Chair: To be announced
Session Co-chair: To be announced

Title: Chromatin outside the cell: A new paradigm in biology
Indraneel Mittra, , Tata Memorial Centre, Mumbai, India

Title: Long non coding RNAs effect cancer cell invasion by epigenetic alterations
Emine Kandemiş, Bahçeşehir University, Istanbul, Turkey

2 Speaker Slots Available

Sessions: Epigenetics Mechanism and Regulation | Epigenetic Diseases

Session Chair: To be announced
Session Co-chair: To be announced

Title: Epigenetic alterations in glioma
Berna Demircan, Istanbul Medeniyet University, Turkey

Title: A Therapeutic Potential For Bone Disease: Differentiation Of Umbilical Cord Derived Mesenchymal Stem Cells to Osteogenic Cells Using Enzymatic Methods
Fathima Zahara Mansoor, University of Colombo, Sri Lanka

Title: Human migration and genetics
Mazhar Iqbal, Harvard Alumnus, Pakistan

Networking & Refreshments

4 Speaker Slots Available

Day 2 November 16, 2018

Special Sessions

Title: How marketing can cure cancer - a case study from South America
Samantha Gooden, Scotch Bonnet, Trinidad and Tobago

Session: Epigenetics Biomarkers | Treatment and Therapy

Session Chair: To be announced
Session Co-chair: To be announced

Title: The effects of yoga on epigenetics
Aslıcan Çakkalkurt, Koc University Hospital, Istanbul, Turkey

Lunch Break

Title: Epigenetic alterations effect Epithelial Mesenchymal Transisiton in Non-Small Cell Lung Cancers
Gülay Bulut, Bahçeşehir University, Istanbul, Turkey

Title: Novel methods of promoting efficient and on-target gene repression using CRISPR/Cas9
Mahmut Parlak, University of Virginia, Virginia

Title: Epigenetics and Oral Health
Sirma Todorova Angelova, Medical University,Varna, Bulgaria

Title: Chediak Higashi Syndrome presenting as pancytopenia
Mirza Asif Baig, MMCH, Saudi Arabia

4 Speaker Slots Available

Session: Reproductive Epigenetics

Session Chair: To be announced
Session Co-chair: To be announced

Title: Effect of Resected Gastric Fundus Fat on Ghrelin Tissue Levels: A Prospective Study
Melis Abahuni and Ilgim Durmus, Yıldız Technical University, Turkey

Title: Persistant Mullerian Duct Syndrome (PMDS) - A rare anomaly
Mirza Asif Baig, MMCH, Saudi Arabia

Title: 9p21.3 Locus is Associated in The Risk of Coronary Artery Disease in Tanzanian Patients
Gokce Akan, MUHAS, Tanzania

Networking & Refreshments

4 Speaker Slots Available

Poster Evaluation, Awards and Closing Ceremony

****

Venue: Renaissance Polat Istanbul Hotel

Istanbul, Turkey
