International Conference on

Cancer Genetics & Epigenetics

October 26-28, 2017 Osaka, Japan

Program at Glance

Day 1

Morning Sessions	Reception/Registration	08.00-09.00	
		Time	General Session
	Least of 3 Keynote/Plenary Talks	09.00-09.15	Inaugural Address
		09.15-09.45	Keynote/Plenary Talk 1
		09.45-10.15	Keynote/Plenary Talk 2
		10.15-10.45	Keynote/Plenary Talk 3
	Panel Discussions/Group Photo		
	Coffee/Tea Break 10.45-11.00 (Networking)		
Evening Sessions	11.00-12.40	Cancer	
	Lunch Break 12.40-13.30		
	13.30-15.30	Types of Cancer	
	Coffee/Tea Break 15.30-15.45 (Networking)		
	15.45-17.25	Workshop	

Day 2

	Time	Session 1	Session 2
Morning Sessions	09.00-10.40	Keynote Forum	Cancer: Causes, Diagnostics & staging
	Coffee/Tea Break 10.40-10.55 (Networking)		
	10.55-12.35	Cancer Treatment & Therapy	Cancer Genetics
	Lunch Break 12.35-13.25		
Evening Sessions	13.25-15.05	Cancer Epigenetics	Cancer Stem Cells
	Coffee/Tea Break 15.05-15.20 (Networking)		
	15.20-17.00	Developmental & Nutritional Epigenetics	Transgenerational Epigenetic inheritance

Day 3

	Time	Session 1	Session 2
Morning Sessions	09.00-10.40	Young Research Forum	Epigenetics Neurodevelopmental and Neurodegenerative disease
	Coffee/Tea Break 10.40-10.55 (Networking)		
	10.55-12.35	Epigenetic diseases Clinical Applications , Pharmacogenomics.	Biomarkers & Bioinformatics Development in Epigenetics
	Lunch Break 12.35-13.25		
Evening Sessions	13.25-15.05	World Cancer Market	Entreprenuers Investment Meet
	Awards & Closing Ceremony		

NOTE: Program Shedule is subject to change with final allotment of the speaker slots

Conference Highlights

- Cancer
- Types of Cancer
- Cancer Genetics
- Cancer : Causes ,Diagnostics and Staging
- Cancer: Treatment and Therapy
- Cancer Stem Cells
- Cancer Epigenetics
- Epigenetics
- Developmental and Nutritional Epigenetics
- Transgenerational Epigenetic inheritance
- Epigenetics - Neurodevelopmental and Neurodegenerative disease
- Epigenetic –Diseases, Clinical Applications , Pharmacogenomics
- Biomarkers and Bioinformatics Development in Epigenetics
- Epigenomic Effects of Environmental Exposures
- World Cancer Market
- Entreprenuers Investment Meet

Plan Your Trip to Osaka

About Osaka

Osaka is the second largest metropolitan area in Japan and serves a major economic hub. Historically a merchant city, Osaka has also been known as the "Nation's Kitchen". With a population of 2.5 million, Osaka is Japan's third largest and second most important city. It has been the economic powerhouse of the Kansai region for many centuries. The city's west side has the main port as well as a tourist destination with attractions such as Kyocera Dome, Universal Studios Japan, Osaka aquarium, Minami, Osaka castle, Umeda sky building and the Tempozan Harbour Village. Osaka is known for its food, both in Japan and abroad. Author Michael Booth and food critic François Simon of Le Figaro have both suggested that Osaka is the food capital of the world. Osaka's culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants, and close proximity to the ocean and waterway trade. In recent years, Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture. The National Museum of Art (NMAO) is a subterranean Japanese and international art museum, housing mainly collections from the post-war era and regularly welcoming temporary exhibitions. Osaka Science Museum is in a five storied building next to the National Museum of Art, with a planetarium and an OMNIMAX theatre. The Museum of Oriental Ceramics holds more than 2,000 pieces of ceramics, from China, Korea, Japan and Vietnam, featuring displays of some of their Korean celadon under natural light.
