WELCOME ADDRESS

Dear Attendees,

The Epilepsy 2025 Organizing Committee is absolutely delighted to welcome you to the **11th International Conference on Epilepsy & Treatment** which will be held in **Barcelona, Spain** on **April 29-30, 2025,** where we will be shining a spotlight on *"Advances in Epilepsy Diagnosis and Management"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your epileptic seizures research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities with an estimated population of 2,761,632 residents in 2019 in an area of more than 105 km making it the fourth-most populated city in the European Union and the 30th most densely populated city in the world in 2025. Since the 17th century, Paris has been one of the world's major centres of finance, diplomacy, commerce, fashion, gastronomy and science. For its leading role in the arts and sciences, as well as its very early system of street lighting, in the 19th century it became known as "the City of Light".

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Epilepsy 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Epilepsy 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Epilepsy 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Epilepsy and Treatment.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Epilepsy.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs.

About Conference

11th International Conference on Epilepsy & Treatment is among the World's leading Scientific Conference. The two day event on Epilepsy will host major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Epilepsy & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Epilepsy conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Epilepsy .

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Epilepsy provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Epilepsy 2025**.

ABOUT CONFERENCE

Who Should Attend?

Epilepsy 2025 Conference website is attracting 56000+ physicians, Neurologists, Neurosurgeons, Neurophysiologists, psychiatrists, physiatrists, Pharmacists, Research scientists, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

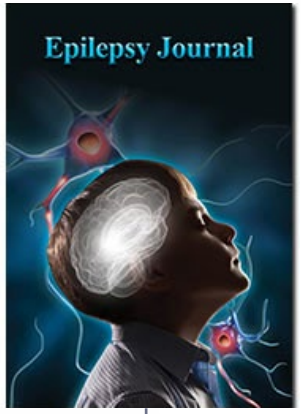

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

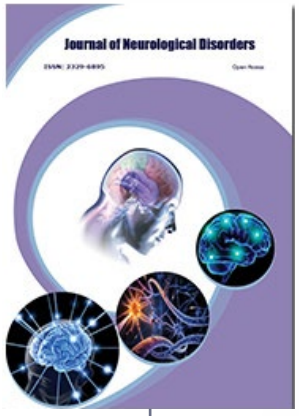

- Pediatric Epilepsy,
- Epilepsy and Aging
- Epilepsy Management of Seizures
- Emergency Management of Seizures
- Epilepsy and lifestyle modification
- Cognitive and lifestyle Modification
- Epilepsy and Pregnancy
- Pediatric and Adult Epilepsy Transition
- Epilepsy and Seizure Classification
- Global Health and Epilepsy
- Advancements in Antiepileptic Drugs (AEDs)
- Epilepsy Surgery: Indications and Outcomes
- The Role of Neurostimulation in Epilepsy Management
- The Impact of Epilepsy on Cognitive Function and Quality of Life
- Epilepsy and Comorbid Conditions: A Comprehensive Approach
- Genetic Advances in Epilepsy Diagnosis and Treatment

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT BARCELONA

Barcelona, Spain, is a city of dynamic contrasts, where ancient history and modern innovation coexist in perfect harmony. Situated along the stunning Mediterranean coastline, Barcelona is celebrated for its exceptional architectural heritage, particularly the masterpieces of Antoni Gaudí, such as the awe-inspiring Sagrada Família and the colorful Park Güell. The city's rich history is vividly preserved in the labyrinthine streets of the Gothic Quarter, home to medieval buildings and charming squares like Plaça Reial. Barcelona's vibrant cultural scene is showcased in its world-class museums, including the Museu Picasso and Fundació Joan Miró, while the culinary landscape offers a tantalizing mix of traditional Catalan dishes and avant-garde gastronomy. The lively atmosphere of La Rambla, the relaxing allure of Barceloneta Beach, and the modernist elegance of the Eixample district further enhance the city's appeal. Barcelona's fusion of historical grandeur, artistic brilliance, and contemporary energy makes it an endlessly fascinating destination, inviting visitors to explore its diverse neighborhoods and immerse themselves in its vibrant life. Barcelona's culinary scene, from traditional tapas to avant-garde cuisine, and its year-round festivals, like La Mercè and Primavera Sound, further enrich the city's dynamic character. This captivating blend of historical depth, artistic brilliance, and vibrant street life makes Barcelona an irresistible destination for travelers seeking both cultural immersion and modern excitement.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
epilepsy@expertsagenda.com

Academic

Speaker Registration: €599
Delegate Registration: €499
Package A (Registration + 2 Nights of Accommodation): €899
Package B (Registration + 3 Nights of Accommodation): €1049

Business

Speaker Registration: €699
Delegate Registration: €599
Package A (Registration + 2 Nights of Accommodation): €999
Package B (Registration + 3 Nights of Accommodation): €1149
Exhibitor: €1299

Student

Student Delegate: € 399
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: September 20,2024
Registration opens: September 20,2024
On spot registration: April 29,2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
