WELCOME ADDRESS

Dear Attendees,

We are glad to announce the **28th European Biotechnology Congress** to be held in **Paris, France** during **June 23-24, 2025** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Euro Biotechnology 2025 is centered with the theme ***"Ethical, Legal and Social Implications of Biotechnology".*** Euro Biotechnology 2025 is the gathering of Scientists, Pharmacologists, Clinical research Scientists, Speakers, Professors, Business delegates and Students all over the world to participate to discover the new Advances in Clinical research, where people can get desired knowledge over future challenges in varied sorts of Biotechnology & its related issues. We are glad to invite you at Euro Biotechnology 2025 where you can experience a really sumptuous information and knowledge in the field of biotechnology. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Euro Biotechnology 2025 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.
We look forward to personally welcoming you to Dublin this September.

Sincerely
Euro Biotechnology 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Euro Biotechnology 2025 salient features

Meet Academia and Industry visionaries to get inspired

- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about biotechnology and technologys present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Impact of COVID-19 on Mental Health and Drug Addiction.

About Conference

28th European Biotechnology Congress is among the World's leading Scientific Conference. The two day event on Euro Biotechnology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Biotechnology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Biotechnology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Biotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Biotechnology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Biotechnology 2025**.

ABOUT CONFERENCE

Who Should Attend?

Euro Biotechnology 2025 Conference website is attracting 56000+ Scientists, Thermochemist, Expert in Pharmacovigilance and Drug Safety, Professors, Business delegates and Students all over the world.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Microbial Biotechnology
- Genetics and Molecular biotechnology
- Pharmaceutical Biotechnology and Drug Design
- Stem Cell Biotechnology and Regenerative Medicine
- Nano Biotechnology
- Biomedical Engineering & Applications
- Agriculture Biotechnology
- Biomaterials
- Food and Feed Biotechnology
- Medical Biotechnology
- Oncolytic Biotechnology
- Enzyme and Protein Engineering
- Bioprocess and Fermentation Technology
- Plant and Forest Biotechnology
- Environmental Biotechnology
- Industrial and Manufacturing Biotechnology
- Bioinformatics & Computational Biology
- Bioremediation and Biodegradation

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Paris, often referred to as “The City of Light,” is one of the most iconic and beloved cities in the world. As the capital of France, Paris is renowned for its rich history, breathtaking architecture, and vibrant cultural scene. The city is home to some of the most famous landmarks on the planet, including the Eiffel Tower, Notre-Dame Cathedral, and the Louvre Museum, which houses the Mona Lisa and countless other masterpieces. Strolling through Paris, one can experience a blend of historic and modern influences, from the cobblestone streets of Montmartre to the fashionable boutiques of the Champs-Élysées. The city’s numerous parks and gardens, like the Jardin des Tuileries and Luxembourg Gardens, offer serene spots for relaxation amidst the urban hustle, Paris is also a global center for art, fashion, and cuisine. The city’s art galleries and museums showcase works from classical to contemporary, making it a haven for art enthusiasts. As a fashion capital, Paris hosts numerous high-profile events, including Paris Fashion Week, drawing designers and fashionistas from around the globe. The culinary scene is equally impressive, with a range of dining options from Michelin-starred restaurants to charming street-side cafes where one can indulge in French delicacies like croissants, macarons, and gourmet cheeses. Whether you’re exploring its historical sites, immersing yourself in its culture, or simply enjoying the Parisian way of life, the city offers an unforgettable experience.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Delegate: € 549
Video Presentation: € 249

Business

Only Registration: € 699
Delegate: € 649
Exhibitor: € 1499

Student

Student Delegate: € 349
Young Researcher Forum: € 449

Important Dates

Abstract submission opens: August 27th, 2024
Registration opens: August 27th, 2024
On spot registration: June 23rd, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
