# WELCOME ADDRESS

Dear Attendees,

We are glad to announce the **29th European Biotechnology Congress** to be held in **Rome, Italy** during **March 23-24, 2026** organized by Conference Series llc LTD, Europe in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Euro Biotechnology 2026 is centered with the theme ***"Environmental Sustainability and Climate Biotechnology".*** Euro Biotechnology 2026 is the gathering of Scientists, Pharmacologists, Clinical research Scientists, Speakers, Professors, Business delegates and Students all over the world to participate to discover the new Advances in Clinical research, where people can get desired knowledge over future challenges in varied sorts of Biotechnology & its related issues. We are glad to invite you at Euro Biotechnology 2026 where you can experience a really sumptuous information and knowledge in the field of biotechnology. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Euro Biotechnology 2026 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.
We look forward to personally welcoming you to Dublin this September.

Sincerely
**Euro Biotechnology 2026**

# ABOUT US

## About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

## How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

## Euro Biotechnology 2026 salient features

Meet Academia and Industry visionaries to get inspired

- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

|---|---|---|---|---|
| Interactive Sessions | Keynote Lectures | Plenary Lectures | Workshops | Exhibitors |

# ABOUT US

### Goals & Objectives

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about biotechnology and technologys present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address Impact of COVID-19 on Mental Health and Drug Addiction.

### About Conference

**29th European Biotechnology Congress** is among the World's leading Scientific Conference. The two day event on Euro Biotechnology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Biotechnology & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Biotechnology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Biotechnology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Biotechnology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Biotechnology 2026**.

# ABOUT CONFERENCE

### Who Should Attend?

Euro Biotechnology 2026 Conference website is attracting 56000+ Scientists, Thermochemist, Expert in Pharmacovigilance and Drug Safety, Professors, Business delegates and Students all over the world.

### Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

### Conference Highlights

- Microbial Biotechnology
- Genetics and Molecular biotechnology
- Pharmaceutical Biotechnology and Drug Design
- Stem Cell Biotechnology and Regenerative Medicine
- Nano Biotechnology
- Biomedical Engineering & Applications
- Agriculture Biotechnology
- Biomaterials
- Food and Feed Biotechnology
- Medical Biotechnology
- Oncolytic Biotechnology
- Enzyme and Protein Engineering
- Bioprocess and Fermentation Technology
- Plant and Forest Biotechnology
- Environmental Biotechnology
- Industrial and Manufacturing Biotechnology
- Bioinformatics & Computational Biology
- Bioremediation and Biodegradation

# TESTIMONIALS

*The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.*

**Amur Margaryan**
*National Science Laboratory, USA*

*The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.*

**Kuang-Hui Chi**
*National Yunlin University of Science & Technology, Taiwan*

*That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.*

**Sudhanshu Sekhar Panda**
*University of North Georgia, USA*

*The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.*

**Ida PucciMinafra**
*University of Palermo, Italy*

*The conference was well organized and the committee was outstanding in keeping the whole event lively.*

**MouradTayebi**
*University of Surrey, England*

*It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.*

**Ram Shanmugam**
*Texas State University, USA*

# ABOUT PARIS

Rome, the magnificent capital of Italy, is one of the world's most iconic cities, often referred to as " HYPERLINK "https://www.biotechnologycongress.com/europe" The Eternal City." With a history that spans more than 2,500 years, Rome has been a cradle of civilization, culture, and faith. Once the heart of the mighty Roman Empire, today it stands as a living museum where ancient ruins, Renaissance art, and vibrant modern life coexist in perfect harmony. Every corner of the city whispers stories of emperors, artists, and philosophers who shaped the course of human history, Walking through Rome feels like stepping back in time. The majestic Colosseum, the Roman Forum, and the Pantheon are awe-inspiring reminders of the city's glorious past. Beyond its archaeological wonders, the HYPERLINK "https://www.biotechnologycongress.com/europe" Vatican City — the world's smallest independent state and the spiritual center of the Catholic Church — lies within Rome's boundaries, home to St. Peter's Basilica and Michelangelo's masterpiece, the Sistine Chapel. Each monument stands as a testament to Rome's enduring legacy and artistic brilliance, Yet, Rome is not just about history — it is a city alive with energy, passion, and warmth. Its charming piazzas, cobblestone streets, and lively cafés reflect the essence of Italian culture. Whether it's enjoying a gelato by the HYPERLINK "https://www.biotechnologycongress.com/europe" Trevi Fountain, sipping espresso at a local café, or listening to street musicians at Piazza Navona, visitors quickly fall in love with Rome's timeless spirit and welcoming atmosphere, Culinary delights are another hallmark of the Roman experience. Traditional dishes like pasta carbonara, amatriciana, and cacio e pepe are celebrated worldwide.

# REGISTRATIONS

*Registration Payment Method:*

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
eurobiotechnology@europeconferences.com

### Academic

Only Registration: € 749
Delegate: € 699

### Business

Only Registration: € 799
Delegate: € 749
Exhibitor: € 1499

### Student

Student Delegate: € 399
Young Researcher Forum: € 499

### Important Dates

Abstract submission opens: October 01, 2025
Registration opens: October 01, 2025

### Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
