About the conference

The 22nd World Congress on Clinical Nursing and Practice, scheduled for May 28-29, 2025, in Paris, France, is an internationally renowned platform for advancing excellence in clinical nursing and patient care. Guided by the theme, “Innovating Clinical Nursing: Pathways to Excellence in Patient Care,” the conference aims to inspire, educate, and empower nursing professionals to address the evolving challenges of modern healthcare. This global event brings together clinical nurses, practitioners, educators, researchers, and healthcare leaders to share cutting-edge advancements, evidence-based practices, and transformative solutions for improving patient outcomes. With an emphasis on innovation and collaboration, the congress will provide an immersive experience through keynote lectures, interactive sessions, workshops, and networking opportunities. Held in the heart of Paris, a city known for its rich culture and history, the conference promises to blend professional growth with an unforgettable experience. Join us to explore pioneering strategies, strengthen your professional network, and contribute to shaping the future of clinical nursing practice.
