WELCOME ADDRESS

Dear Attendees,

The Euro Diabetes 2024 Organizing Committee is absolutely delighted to welcome you to the **33rd European Diabetes Congress** which will be held in **Paris, France** on **February 08-09, 2024** where we will be shining a spotlight on "*Empowering Lives: Managing Diabetes Together*".

We are looking forward to providing you with a superb environment in which to present, discuss and advance your diabetes and clinical research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Euro Diabetes 2024

ABOUT PARIS

Paris, the capital of France, is a city of unparalleled charm and cultural significance. Nestled along the banks of the Seine River, this iconic metropolis is renowned for its timeless beauty, from the awe-inspiring Eiffel Tower to the world-class art treasures housed in the Louvre Museum. Paris is a haven for fashion enthusiasts, with its haute couture boutiques and trendsetting designers, and it boasts a gastronomic scene that tantalizes the taste buds with exquisite cuisine and fine wines. Paris is a global center for art, literature, and intellectual discourse, drawing creatives and scholars from around the world. Paris, often referred to as the "City of Light," is an enchanting metropolis that stands as a symbol of culture, art, and history. Paris is a testament to the fusion of the old and the new, where cobblestone streets wind their way through neighborhoods that have witnessed centuries of history, while sleek modern buildings rise to meet the sky in bustling business districts.

The Louvre Museum, one of the world's most prestigious art institutions, houses treasures that span millennia, including the enigmatic Mona Lisa. The city's artistic legacy extends beyond museum walls; it lives and breathes in the Montmartre district, where the ghosts of Picasso, Toulouse-Lautrec, and Van Gogh once roamed, seeking inspiration in its charming streets and cafés. Parisian cuisine is an art form in itself, with an array of Michelin-starred restaurants and quaint bistros serving exquisite dishes that celebrate the culinary heritage of France. A morning stroll through the picturesque streets often leads to a local patisserie, where you can savor croissants and pastries that are second to none.
