WELCOME ADDRESS

Dear Attendees,

The Euro Food 2025 Organizing Committee is absolutely delighted to welcome you to the **28th Euro-Global Summit on Food and Beverages** which will be held in **Zurich, Switzerland** on **May 19-20, 2025,** where we will be shining a spotlight on *"The Rise of Functional Foods: Health Benefits and Innovations"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Food research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Danube and capital of Austria, which is called as Vienna. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Euro Food 2025
Organizing Committee

ABOUT US

Goals & Objectives

- The Euro Food 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of food research.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of food research.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

28th Euro-Global Summit on Food and Beverages is among the World's leading Scientific Conference. The two day event on food research will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of food research & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for food conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of food research.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the conference. This conference on food research provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Food 2025**.

ABOUT CONFERENCE

Who Should Attend?

Euro Food 2025 Conference website is attracting 56000+ Food Experts, scientists, researchers, Laureates, academicians, agriculturists, economists, environmentalists, industrialists, business delegates and of course the most important Students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Food, Health & Nutrition
- Bakery & Snacks
- Food Emerging Science & Technologies
- Food Business Trends
- Food Processing & Packaging
- Food Innovations & Insights
- Food Ingredients & Additives
- Food Adulteration and Fortification
- Food Science and Biotechnology
- Food and Nutrition
- Beverage Technology
- Food and Drug Analysis
- Food Waste Management
- Clinical Nutrition
- Innovative Information in Nutrition
- Nutraceuticals
- Beverages for healthy lifestyle
- Food and Obesity

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ZURICH

Zurich, the largest city in Switzerland, is renowned for its stunning natural scenery, vibrant cultural scene, and status as a global financial hub. Nestled along the shores of Lake Zurich and framed by the picturesque Swiss Alps, the city offers a perfect blend of urban sophistication and natural beauty. Its well-preserved medieval old town, with narrow, winding streets and historic buildings, contrasts with its modern, cosmopolitan atmosphere, making Zurich a captivating destination for both residents and visitors, Culturally, Zurich is a powerhouse, boasting over 50 museums and more than 100 art galleries. The Kunsthaus Zurich, one of the most important art museums in Switzerland, features an impressive collection of works from the Middle Ages to contemporary art. The Swiss National Museum offers a comprehensive overview of the country's cultural history. Zurich is also home to the prestigious Zurich Opera House, which hosts world-class performances of opera, ballet, and classical music. The city's vibrant cultural calendar includes the Zurich Film Festival and the Street Parade, one of the largest techno parades in the world, showcasing its diverse and dynamic cultural landscape, Economically, Zurich is a key global financial center, housing the headquarters of numerous multinational companies and financial institutions. The city's strong economy is supported by a highly skilled workforce and a stable political environment. Zurich consistently ranks high in global quality of life surveys, thanks to its efficient public transport system, high standards of education and healthcare, and a wide array of recreational activities. The city's culinary scene, with a mix of traditional Swiss cuisine and international flavors, along with its bustling shopping districts, further enhances its appeal. Whether enjoying a boat ride on Lake Zurich, exploring its historical sites, or experiencing its cultural offerings, Zurich provides a unique and enriching experience.
