About the conference

The 7th International Summit on Mental Disorders and Illness will take place on May 26-27, 2026, in the vibrant city of Paris, France. This summit is a premier event that attracts top researchers, mental health professionals, and academics from around the world to discuss the latest developments and challenges in the field of mental health. It serves as a global forum for exchanging knowledge, fostering collaborations, and advancing mental health research and practice.

Theme: "Advancing Frontiers in Mental Health: Research, Diagnosis, and Therapeutic Innovation "

This theme reflects the conference's commitment to exploring new, comprehensive methods for enhancing mental health care. It underscores the significance of integrating biological, psychological, and social perspectives to develop effective treatment and prevention strategies. By focusing on innovation and holistic solutions, the conference aims to address the multifaceted nature of mental health challenges and improve overall mental wellness.
