WELCOME ADDRESS

Dear Attendees,

The Euro Nephrology 2025 Organizing Committee is absolutely delighted to welcome you to the **29th European Nephrology Conference** which will be held in **Rome, Italy** on **November 03-04, 2025,** where we will be shining a spotlight on *"Future Directions in Dialysis: Integrating Technology and Patient-Centered Care"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Nephrology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands right in the heart of Rome, Italy is a modern, cosmopolitan hub that is regularly ranked as one of the world's top cities for quality of life. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Euro Nephrology 2025

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Euro Nephrology 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Euro Nephrology 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Nephrology, Urology and Kidney Failure .
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nephrology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

29th European Nephrology Conference is among the World's leading Scientific Conference. The two day event on Nephrology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Nephrology, Urology and Kidney Failure & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Nephrology conference which will comprises of 20 major sessions designed to offer comprehensive sessions that address current issues in various fields of Nephrology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Nephrology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Nephrology 2025**.

ABOUT CONFERENCE

Who Should Attend?

Euro Nephrology 2025 Conference website is attracting 56000+ Nephrologists, Urologists, Dialysists, Clinicians Science, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

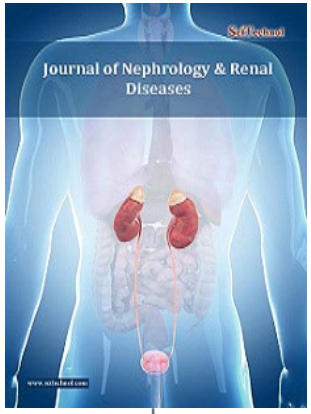

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- CRISPR Innovations for Kidney Disorders
- Artificial Intelligence and Machine Learning in Renal Diagnostics
- Nanomedicine in Renal Therapeutics
- Immunomodulation and Targeted Therapies for Glomerular Diseases
- Sophisticated Imaging: 3D Mapping and Evaluation
- Nutritional Genomics and Personalized Renal Dietetics
- Regenerative Medicine and Tissue Engineering in Nephrology
- Pharmacogenomics and Personalized Medicine in Renal Therapeutics
- Fluid and Electrolyte Disorders in Nephrology
- Environmental Risk Factors and Kidney Disease
- Ethics in Kidney Transplantation
- Emerging Therapies for Polycystic Kidney Disease
- Pharmacogenomics in Renal Drug Response
- Stem Cell and Tissue Engineering in Nephrology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang
Tsinghua University, China

ABOUT ROME

Rome, the Eternal City, is a vibrant tapestry woven from centuries of history, art, and culture. As the capital of Italy, Rome is renowned not only for its ancient ruins and magnificent architecture but also for its lively cultural scene, which includes traditional dance, music, and a welcoming atmosphere for travelers. This city is a must-visit destination for anyone seeking to experience a blend of the old and the new. One of the most captivating aspects of Roman culture is its rich tradition of dance. Throughout the city, you can find numerous venues and schools dedicated to preserving and promoting traditional Italian dance forms, such as the Tarantella and various folk dances from different regions of Italy. These dances often feature lively music and colorful costumes, and they play a vital role in festivals and celebrations.

Rome is equipped with modern facilities that cater to both residents and visitors. The city's infrastructure is designed to accommodate the influx of tourists while maintaining its historical charm. The Fiumicino Airport, officially known as Leonardo da Vinci International Airport, is the primary gateway to Rome, offering numerous international and domestic flights. The airport is well-connected to the city center through various transportation options, including trains, buses, and taxis, making it easy for travelers to navigate their way. Once in the city, visitors can take advantage of the extensive public transportation system, which includes buses, trams, and the metro. This system ensures that popular attractions, such as the Colosseum, the Vatican, and the Trevi Fountain, are easily accessible. Additionally, many hotels and accommodations in Rome provide modern amenities and services to ensure a comfortable stay.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
Contact.Chris@theannualmeet.com

Academic

Only Registration: € 599
Regular Issue Publication + Registration: € 2215
Special Issue Publication + Registration: € 2600

Business

Only Registration: € 649
Regular Issue Publication + Registration: € 2500
Special Issue Publication + Registration: € 2700

Student

Student Delegate: € 399
Young Researcher Forum: € 430

Important Dates

Abstract submission opens: September 24, 2024
Registration opens: September 24, 2024
On spot registration: November 01, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
