Euro Nephrology Summit 2025

About the conference

The 13th European Congress on Nephrology, Internal Medicine, and Kidney Diseases is a highly anticipated event in the medical community, set to take place in Paris, France on April 16-17, 2025 Paris, France. The conference brings together leading nephrologists, internal medicine specialists, and kidney disease experts from around the world to share knowledge, present research, and discuss the latest advances in the field. Attendees can look forward to a wide range of topics, including new approaches to diagnosing and treating kidney diseases, innovations in kidney transplantation, and emerging technologies for managing chronic kidney disease. The conference also provides an excellent opportunity for networking, as attendees can connect with peers, industry professionals, and leading researchers.

Overall, the 13th European Congress on Nephrology, Internal Medicine, and Kidney Diseases promises to be an informative and exciting event for professionals in the field. It offers a unique opportunity to stay up-to-date on the latest advances in nephrology and kidney disease treatment, and to connect with colleagues from around the world.

Theme: “Global Innovations and Breakthroughs in Nephrology & Kidney Diseases”.
