12+ Interactive Sessions

10+ Keynote Lectures

50+ Plenary Lectures

5+ Workshops

20+ Exhibitors

WELCOME ADDRESS

Dear Attendees,

The Euro Organic Chemistry 2024 Organizing Committee is absolutely delighted to welcome you to the **20th European Organic Chemistry Congress** which will be held in **Paris , France** on **November 28 - 29, 2024**, where we will be shining a spotlight on *"Contemporary Methodologies and Revolutionary Trends in Organic Chemistry"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Organic research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River which is called as UK. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards
Euro Organic Chemistry 2024
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Euro Organic Chemistry 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Euro Organic Chemistry 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Organic and Medicinal Chemistry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Organic Synthesis.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

20th European Organic Chemistry Congress is among the World's leading Scientific Conference. The two day event on Organic Chemistry will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Organic Chemistry & Euro Organic Chemistry 2024 is an international platform to debate and learn about new compounds and its structures, bonding, reactivity in field of chemistry and in organometallic chemistry, organic chemical science, biogeochemistry, marine chemical science, petroleum chemical science, bioorganic and medicinal chemistry, advancements in the fields of modern experimental chemistry, modern analytical chemistry, modern theoretical chemistry, combinatorial chemistry, flow chemistry, microwave chemistry, green chemistry, spectroscopy, new synthetic ways and advances in catalysis.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Organic Chemistry provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Organic Chemistry 2024**.

ABOUT CONFERENCE

Who Should Attend?

Euro Organic Chemistry 2024 Conference website is attracting 56000+ physicians, public health experts, Pharmacists , Bio instruments Professionals, Bio-informatics Professionals, Supply Chain companies, Manufacturing Companies, CRO and DATA management Companies, Business Entrepreneurs, Investment Analysts, R&D Researchers from Pharma Industries, Chief Scientific Officers, PhD Scholars, professionals, speakers, professors, business delegates and students

Why to Attend?

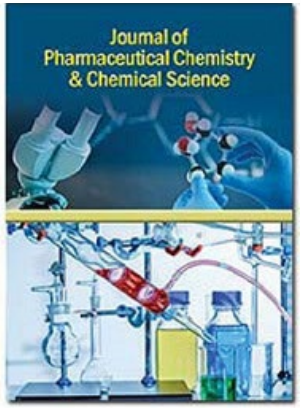

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Organic Chemistry
- Inorganic and Industrial Chemistry
- Material Science and Polymer Chemistry
- Medicinal Chemistry
- Bio-Chemistry and Forensics
- Green and Environmental Chemistry
- Drug Design & Chemical Engineering
- Mass Spectroscopy and Filtration Chemistry
- Analytical techniques in Organic Chemistry
- Radioactive Chemistry and Reactors
- Instrumentation and Techniques
- Catalysis and Energy
- Organometallic Chemistry
- Stereochemistry of Organic Compounds
- Agricultural biochemistry
- Crop Protection
- Sustainable Agriculture
- Bio-fertilizers
- Organic Farming Vs Conventional Farming
- Plant Genomics

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT PARIS

Paris, city and capital of France, situated in the north-central part of the country. People were living on the site of the present-day city, located along the Seine River some 233 miles (375 km) upstream from the river's mouth on the English Channel (La Manche), by about 7600 BCE. The modern city has spread from the island (the Île de la Cité) and far beyond both banks of the Seine.

Paris occupies a central position in the rich agricultural region known as the Paris Basin, and it constitutes one of eight départements of the Île-de-France administrative region. It is by far the country's most important centre of commerce and culture. Area city, 41 square miles (105 square km); metropolitan area, 890 square miles (2,300 square km). Pop. (2020 est.) city, 2,145,906; (2020 est.) urban agglomeration, 10,858,874.

The three main parts of historical Paris are defined by the Seine. At its centre is the Île de la Cité, which is the seat of religious and temporal authority (the word cité connotes the nucleus of the ancient city). The Seine's Left Bank (Rive Gauche) has traditionally been the seat of intellectual life, and its Right Bank (Rive Droite) contains the heart of the city's economic life, but the distinctions have become blurred in recent decades

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 599
Regular Issue Publication: € 2200

Business

Only Registration: € 699
Regular Issue Publication: € 2200

Student

Student Delegate: € 349
Young Researcher Forum: € 399

Important Dates

Abstract submission opens: July 17, 2024
Registration opens: July 17, 2024
On spot registration: November 28, 2024

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
https://organicchemistry.chemistryconferences.org/registration.php
